

Local Happenings

Some of the Heppner folks in Portland Saturday were pleased to have a visit with Mr. and Mrs. Dean T. Goodman who were in the city from their home at Salem. They reported that they are nicely located in the capital city, and Mr. Goodman is enjoying his work in the secretary of state's office. Regrettable, however, was the news of the death of Mr. Goodman's father, who was buried in the city the Tuesday previous.

Mr. and Mrs. Roy Campbell were in the city Monday from the Social Ridge farm accompanied by Miss Sylvia Severance of Banks who had recently arrived at the Campbell home for a visit. Miss Severance was graduated with the class of 1916 from Heppner high school and it had been 19 years since she last visited Heppner. She enjoyed meeting many old schoolmates. She and Mrs. Campbell are sisters.

Among Heppnerites in Portland Saturday for the Oregon-California football game were Mr. and Mrs. H. A. Tamblin and children, Earl W. Gordon, Mr. and Mrs. D. A. Wilson, Mr. and Mrs. Alva Jones, Mr. and Mrs. R. B. Ferguson, Mr. and Mrs. Allan Bean, Ellis Thomson, Mr. and Mrs. Spencer Crawford, Jap Crawford.

Mrs. Bertha Rockhold and father, J. C. Bardsley, arrived recently from Glendale, Cal., to make their home with Mrs. Rockhold's daughter, Miss Leone Rockhold, home economics instructor in the high school, at the Jones apartments. Since his arrival Mr. Bardsley has been quite ill.

The many friends of Mrs. Harry Brown will be glad to learn that she is recovering from a very serious operation for a ruptured appendix. She has been suffering from general peritonitis but at present is making satisfactory progress toward recovery.

George Starr who is attending Monmouth normal this year was in Portland Saturday for the football game and expected to play football himself Sunday in a game between the Monmouth team and Portland university at Vaughn street field.

Mr. and Mrs. Joseph Belanger returned home Sunday from Portland where they spent several days taking in the Pacific International Livestock exposition. Mr. Belanger, county agent, exhibited a Morrow county grain display.

Mrs. Chas. Corder departed Tuesday evening for her home in Portland after visiting for several weeks at the home of her mother, Mrs. Lillie Aiken. Mrs. Aiken and son Henry took Mrs. Corder to Arlington by car.

John Turley was making preparations the first of the week to leave for Eugene to spend the winter after helping tend the D. O. Justice flocks through the summer feeding season.

W. E. Moore, manager Pendleton Production Credit association and formerly cashier of the First National Bank of Heppner, was in the city Tuesday on business.

Born to Mr. and Mrs. Elmer Palmer of Lexington at the home of Mrs. Corda Saling in this city Tuesday, a 9 1/2 pound boy. He has been named Roger Elmer.

Carl Bergstrom, Gooseberry farmer, was smiling when in town Monday because the good rains had landed just as he finished seeding the fall wheat crop.

Mr. and Mrs. Truman Babb, Frances Meyers and son Dick were week-end visitors in Portland.

Andrew Baldwin is having a new composition shingle roof placed on his residence.

Let's Show Our Loyalty

In years past, Heppner high has been proud of her football teams. These teams have held for her a high place among the strongest of eastern Oregon schools. This year the boys are out there fighting for the place at the top of the list, and need your support as it has been received in previous years. Because of lack of interest and the consequential lack of support, financial as well as moral, Heppner has been forced to drop games with schools that had become nearly traditional.

The schedule does not include games with strong opponents which will test the strength and endurance of the team to the utmost.

The team needs the backing of the whole school and the whole town. Let's have a good time and a good crowd at the game with Condon, to be held here Saturday. Let's show our loyalty.

—H.H.S.—
The Irish in Us

An eleventh hour telegram urging the team to victory, sent by Dick, Mr. and Mrs. Benton from their home in Fort Benton, Montana, whipped the burning spirit of morale to a frenzied pitch for last Friday's game with Hermiston.

Smarting from the remembrance of last year's 15-0 defeat the local boys showed as never before in history their right to the name "Fighting Irish." From the opening whistle they took the play completely away from the much heavier, more experienced, and the "odds on" favored Hermiston Bulldogs. Shortly after gaining possession of the ball in the first quarter the locals were pounding deep into enemy territory, but failed to score. Neither team threatened seriously again in this quarter though the Irish were beginning to at its close. Early in the second quarter a dazzling passing attack spiked by a deceptive line offensive forced the Bulldogs back to their goal. A short pass perfectly executed sent the receiver scampering across the goal unmolested for the first score. A smashing line plunge for the conversion was successful.

Hermiston showed to advantage just before the close of the half when a spirited drive carried them from the twenty to the fifty yard line.

At the opening of the third quarter the Irish cut loose with a powerful running attack that placed them on the five yard line with a first down. After two unsuccessful attempts a smashing line plunge accounted for the second touchdown. The try for point failed.

Throughout the fourth period the Irish profited by the Bulldogs' desperate efforts to complete passes when interceptions gave them possession of the ball. The Irish were hammering their way toward another score when the whistle sounded, ending the most thrill-packed game witnessed on the local gridiron for some time.

The next game will be on the local field Saturday with the strong Condon team. Both Condon and Heppner tied 6-6.

Grade School News

The second grade is studying leaves in nature study. The pupils are making colorful posters of various kinds of leaves. They are also preparing to give a safety first play, dramatizing safety first rules. Seven new books have been added to their library, which they are enjoying very much.

The fourth grade dramatized the life of Columbus in observance of Columbus Day. They are starting to make Halloween posters.

The first four grades are starting a newspaper this week called "Dog Barks," which is to be published every two weeks. It will consist not only of news but stories, poems, and pictures by the students. This is something new for the children and they hope it will prove successful.

The fifth grade received a letter from the fifth grade of Lancaster, Kentucky, telling about the state of Kentucky and asking the fifth grade here to tell them something about Oregon. Lancaster is about thirty miles from Lexington, Kentucky, one of the largest tobacco markets in the world; therefore they told about the harvesting of tobacco which is being done at this time of the year.

The fifth grade Citizenship club met and elected monitors as follows: blackboard, Eunice Osmin; waste paper basket, Rae Cowins; pencil sharpener cleaner, Jean Gemmill; flag leader, Helen Knowles.

The sixth grade pupils are making books composed of their origin, poems and drawings. The fifth grade game a program on trees for the sixth grade as a surprise.

Preparations are being made for Armistice Day. The girls will sing "American Hymn" and the boys will sing "They're Tinting Tonight."

Band

The band has made considerable changes in its system of work for this year. In the past rehearsals were held twice a week evenings. Under the new schedule sectional rehearsals are held each morning from 8 till 9 and ensemble rehearsal is on Wednesday evening from 7 till 8:30.

By this new schedule the director hopes greatly to improve the band. Through the sectional rehearsals and class instruction much more attention can be given to individual needs and requirements, thus encouraging better playing and more home work. High school band members will be given some credit for

band this year.
Mr. Buhman is also putting the junior band members in the regular band. They will remain in the band if they are capable of doing the work; otherwise they must return to the junior band for further instruction.

Beginners band will be started next week. Those wishing to start in this year's beginners' band should contact the director this week.

Class Rush

Last Thursday the school had the privilege of witnessing a thrilling physical event. This was the annual class rush held between the students of the sophomore and freshman classes. The two classes were so evenly matched that the winner could not be definitely determined. To form a definite decision an event was scheduled for this week. This deciding event, a mixed relay race, was won by the sophomores.

The county is again this year carrying on a county-wide program of testing and supervising in lieu of the state eighth grade examinations. This program is a much fairer basis for promotion than that of waiting till the end of the eighth grade and expecting pupils to prove their worthiness for promotion into high school by answering ten questions taught in the elementary school.

HOW TO CUT WASHING AND IRONING TIME IN HALF

By AUDREY HERINGTON
Home Service Director for Pacific Power & Light Company.

● If you want to minimize your washing and ironing time—and minimize your labor, too—then be sure your laundry contains these appliances: a modern electric washer, an electric ironer and an automatic electric water heater. The new washers remove every trace of dirt from clothes in a few minutes. The new ironers turn out your laundry in half the time required by a hand iron. All you do is sit and feed your pieces through.

An automatic electric water heater keeps an abundant supply of clean hot water in storage ready for use at all times. No waiting. Are these appliances expensive? No! The time and work they save amounts in a short time to far more than the original cost. And the operating cost is small, too, because of Pacific's low domestic rates.

Make ironing easy with an electric ironer

● Electric ironers eliminate the back-breaking strain of bending, pushing and lifting. They permit you to sit comfortably in a chair and do your ironing in half the time required by a hand iron. You can now buy a table-type ironer for as little as \$44.95—the lowest price at which a quality ironer has ever been offered. Or, if you wish to keep your ironer in your kitchen, yet have a little space, you can

can turn the hot water faucet any time and be sure of hot water. You don't have to remember to light a heater; you don't have to fire up and wait. Your hot water supply is always ready to tackle your washing or do any other job as soon as you are.

Right now dealers and Pacific Power & Light Company are making this proposition. They have placed a special low price on a 40-gallon automatic electric water heater. (\$10 down and balance on convenient terms.) The operating cost is only eight-tenths of one cent per kilowatt hour. Use this heater for all your hot water requirements for a full 60 days. Remember, if you are not completely satisfied, it will be removed from your home without charge and your payments refunded. The only cost to you will be the electricity you have used.

New washers meet every laundering requirement

EVERY home laundry needs a good electric washer. One that washes clothes spotlessly clean in 5 to 7 minutes, yet is so gentle that it never tears or tangles even the most fragile pieces. The electric washers now on display at dealers and in Pacific Power & Light Company showrooms meet every laundering requirement. They are sturdily constructed—come equipped with Lovell or other high-grade wringers—have tubs finished in beautiful porcelain enamel. Inspect these washers today.

Have hot water whenever you turn a faucet
