Who Will Make the Cake?

ONE feels just a little alarm when he hears a man who for years been one of the county's substantial citizens and a contributor toward its upbuilding by helping manage a large livestock company say that he has about reached the point where he is ready to come to town and live off the government. Ever mounting taxes and the increasing number of government beneficiaries makes the production game too discouraging, he says.

This man's statement brings up the point of what would happen if all producers took the same view of things. If all the farmers in the country took a notion to quit the farm and move to town, there would be no government for government can exist only with sustenance, and without the products of the farm there would be no sustenance. Not only would the farmers be out of luck in living off the government, but so would that very large and ever increasing class that is now "making slaves of producers," as this man put it. "Talk about freeing negro slaves! Why the negroes weren't in it with the farmers of today when it comes to being held in bondage," was the rather alarming assertion of this farm manager-analyst.

This man, if not sixty, is probably nearing that age. He might retire and give his job to a younger man if the Townsend plan were put into effect. However, his job is not now paying any fancy salary. What could a younger man in the same position expect to make, if this man with millions of others were to be given \$200 a month each by the government, throwing that much additional load onto the producers of the country. Instead of lightening the younger man's burden, the extra amount would add to it.

I'M SOLD It always works

Just do what hospitals do, and the doctors insist on. Use a liquid laxative, and you can bring yourself to clocklike regularity without strain or ill effect.

A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular Dr. Caldwell's Syrup Pepsin has become. It gives the right kind of help, and right amount of help. Taking a little less each time, gives the bowels a chance to act of their own accord, until they are moving regularly and thoroughly without any help at all.

Dr. Caldwell's Syrup Pepsin contains senna and cascara—both natural laxatives that form no habit. The action is gentle, but sure. It will relieve any sluggishness or bilious condition due to constipation without upset.

trying to get two men to go out to work with sheep at a time when Heppner and other towns in the county were well supplied with people receiving relief, but he could get no help. The contractor also told of his experiences, quite similar in getting help out of employment offices. They were agreed that those who continued to try to produce were paying dearly for the New Deal.

"Why," the local man said, "we're paying for the loafers' help without getting any help."

That appears to be pretty strong language. But it's one side of the argument when everyone is asking for social security. It would be mighty fine if we could all eat our cake and have it, too.

BOARDMAN BY RACHEL L. BARLOW

A small crowd was present at the last Parent-Teachers meeting when the election of officers was held. Those elected were Mrs. Charles Dillon, president; Miss Clara Ruff, vice president; Mrs. S. C. Russell, secretary, and Mrs. W. A. Baker, treasurer.

The annual directors' election of the West End Irrigation district will be held at the Boardman school house on Tuesday, Nov. 12. The purpose is to elect one director from the irrigation district for a term of three years to succeed R. V. Jones whose term expires January, 1936. The polls will be open from 8 a. m. to 8 p. m. Eligibility for voting at this election shall be: Ownership of four or more acres of water right land situated within the West Irrigation district, deed to be recorded at least six months prior to the elections. Holder of a contract to purchasing four or more acres of water right land situated within the district, contract to be recorded at least six months prior to the election is also eligible to vote.

A bridal shower was given in honor of Mrs. Nathan Thorpe (Margaret Smith) at the Macomber home last Friday afternoon. A large number of ladies were present and Mrs. Thorpe received many lovely and useful gifts. Mr. and Mrs. Thorpe are making their home in Boardman.

The Greenfield grange team motored to Ione last Tuesday evening to compete in the drill team contest. The Greenfield grange team was the only team to put on the drill so received first prize. Last year they also received first prize over three other teams in the county.

Mr. and Mrs. Lowell Spagle and children of Silver Falls spent last week here with Mrs. Spagle's parents, Mr. and Mrs. Leslie Packard. A lovely dinner and party was given at the Arthur Allen home last Wednesday evening in honor of Mauriece Hunt's birthday.

Guests included members of the sophomore class and his teachers. The Halloween motif was carried out in the decorations and Halloween games were played.

Theron Anderson motored to Walla Walla Saturday. The sudden drop in the temperature took farmers by surprise and many of the potatoes and squash froze. Probably the greatest loss will be suffered by Reese Byram who has approximately 700 sacks of potatoes in the ground. A number of others have large amounts left in the ground, too.

Several men were laid off from the railroad section last week. They were Everett Ervin and Nathan Thorpe of Castle, and Ed Barlow of Coyote.

Miss Jeanette Turner spent Saturday with friends at Pine City. The Morrow county relief cannery at Boardman closed last week for the season. The cannery which accommodated the Boardman and Irrigation districts proved to be a success, the output from July 16 to October 30 totalling 10,985 cans, which included vegetables, fruits and meats. The cannery has been operating in the building next to the hotel and was in charge of Clair Caldwell of Irrigon, Mrs. Claud Coats and A. B. Chaffee of Boardman.

The Boardman high school entertained the Irrigon high school at a party Friday evening. Dancing was enjoyed during the evening and refreshments were served.

Mr. and Mrs. George Wicklander and son have moved from a ranch on the east end of the project into the home of Mrs. Eva Warner where they will live this winter. Alvin Krom returned from Colfax last week where he has been working during seeding time.

Leo Disbro is visiting his parents this week. He has been working in the mines in northern Idaho. A number of Boardman folks attended the show, "Steamboat Round the Bend," in Hermiston this week.

GRANGE DANCE SLATED. The Home Economics club of Willows grange is giving a program of one-act plays, readings and musical numbers beginning at 8 p. m. in the Legion hall at Ione, November 9. This will be followed by a dance given by the grange social committee.
