choosing certain people and of making others disgusted because they didn't get a part. We hope to make the operetta this year a bigger success than any other year previous to this time. The support of the people of Heppner will be greatly appreciated. -H.H.S.-

Locals Defeated Heppner's Fighting Irish journeyed to Arlington on Saturday, Feb. 1, and suffered a surprising defeat of 44-21. The slippery condition of the playing floor greatly hampered Heppner's "fast-break" style of play and probably accounts for the poor showing made. -H.H.S.-

Operetta Practices have begun for the high school operetta, "The Gypsy Rover," which promises to be a delightful musical comedy.

The cast announced last week was as follows: Meg, Jean Adkins; Zoro, Harriet Hager; Marto, Jackson Gilliam; Sinfo, Emmett Kenny; Rob, the Gypsy Rover, Norton King; Lady Constance, Kathryn Parker; Sir Geo. Martindale, Ellis Williams; Nina, Alvina Casebeer; Capt. Jerome, Charles Cox. It is planned to give the operetta March 27. -H.H.S.-

Grade School News The first grade bulletin board has a display of farm animals and farm machinery. The pupils are going to make a book of these pictures for the library.

The third grade pupils are making books on cotton consisting of pictures and samples of cotton and woolen materials.

The first and third grades are proudly displaying flowers in bloom. The first grade has a narcissus and a primrose in bloom. The third grade has a lovely pink geranium. Maybe Spring isn't so far off, after all.

Donald Woods of the eighth grade has moved to Portland. -H.H.S.-

Class News All of the four classes of Heppner high school held meetings some time last week to elect the new class officers.

The officers elected in the senior class were as follows: President, Ernest Clark; vice-president, Lola Osborn; secretary and treasurer, Jean Adkins. Junior class officers: President, Norton King; vice-president, Paul Brown; secretary, Lous Ashbaugh; treasurer, LaMoyné Cox; sergeant-at-arms, Len Gilman.

Sophomore class officers: President, Florence Beckett; vice-president, Gladys Casebeer; secretary and treasurer, Kathleen Furlong; sergeant-at-arms, Clayton Wright. Freshman class officers: President, Emery Coxen; vice-president, Patricia Cason; secretary, Frances McCarty; treasurer, John Crawford; sergeant-at-arms, Floyd Williams. -H.H.S.-

Benzine Ring Meets The Benzine Ring met Thursday...

January 30, for the purpose of electing new officers for the second semester. The officers were elected as follows: President, Steven Wehmer; vice-president, Don Turner; secretary-treasurer, Ethyl Hughes. After the meeting was over the members went up on the golf course to ski and sleigh. Everyone was having a good time until Arlene Morton came down on a sled and ran into a car. She was bruised and skinned a great deal, but she is able to be at school even though she can see out of only one eye. Other members of the party have bruises and skinned places, but after all of the bumps and bruises, everyone seemed to have a good time. -H.H.S.-

Pep Club Last week was a busy one for some of the members of Heppner high school. The old Booster club was revised and a new constitution was made. The new club has been named the "Heppner High School Pep Club." The purpose of this club is to promote pep and school spirit. The twelve charter members held three meetings last week. Officers elected for this semester were as follows: President, Howard Bryant; vice-president and publicity manager, Norton King; secretary-treasurer, Beth Vance. It was decided to order small megaphones for each member of the club, and later purple and gold caps. -H.H.S.-

We wish- We could have seen Miss Rockhold and Miss Peterson sliding down the Catholic church hill. You could enjoy our jokes as much as we do. That we could find out all the details of the Benzine Ring "slaying party." The boys weren't so conceited as to be afraid of Leap Year. -H.H.S.-

Observations Buddy Battly's feet are so big that when he takes his shoes off he's half undressed. Bernard McMurdo is so mechanical that he took his nose apart to see what made it run. James Shoun is so Scotch that he goes around corners on two wheels to save his tires.

Joe Aiken: "What are you building?" Ruth Cowins: "A magpie house." Joe: "Gonna move?" Kay Furlong: "We had a pie-eating contest at our house last night." Margaret Farley: "Who took second prize?" -H.H.S.-

Results of Winter Snow, snow everywhere-oh, and look at the results. We look one way and see a little blonde with one eye bandaged up; in another direction we see a skinned-up nose or ear; and a yet more common scene is to see someone come limping along. This seems to be rather a strange community, usually we hear about someone being hit by a car, but when it comes to a car being hit by this someone, it does seem like real news. This isn't a believe-it-or-not column, but anyone wishing proof may come up to Heppner high school and we're sure he will be thoroughly convinced. This is what happens when there is too much skiing and sleigh riding in dangerous places.

AUNT KILLED BY TRAIN. Mrs. Alice Gentry was called to Junction City this week to attend funeral services for her aunt, Mrs. Fannie Howard who was accidentally killed when hit by a Southern Pacific train near her home there January 29. Mrs. Howard was crossing the track with a basket of groceries when the train came along. She attempted to run ahead of it for a ways, but was struck and instantly killed. She has a number of old-time friends besides relatives here, to whom the news came as a shock. Mrs. Alice Adkins of this city was a friend of the deceased since girlhood days. Mrs. Howard was 79 years of age.

10 Years Ago THIS WEEK (From Gazette Times, Feb. 11, 1926) Heppner luncheon club launched monthly noon with C. L. Sweek. Universal Credit Company Leads the Way With New, Universal, Low Cost, Easy Payment Plans For FORD Customers

New \$25.00 per Month Plan Offers thrift with safety at Cost of 1/2% per month- 6% to 12 months

Ford V-8 performance, economy, and beauty in the past is the guarantee of Ford superiority and value in the future. Greater and greater value with each passing year has brought unequalled dollar value in the new Ford V-8 for 1936.

value in economy and quality. Families buy Ford cars today as they have for thirty years because of outstanding value. Outstanding quality at low cost has made the new Ford the choice of millions.

UCC is happy to have the opportunity to participate in the great Ford sales program for 1936 by providing plans at lower cost and with lower monthly payments for the purchaser who desires to buy out of income. This will make possible Ford V-8 ownership to thousands of new purchasers who were unable to buy in the past because monthly payments were more than their monthly budgets would permit.

"Ours is more than an exclusive institution serving Ford dealers and Ford purchasers," the Seattle Branch Manager, Mr. Pierce, recently stated. "We look upon the Universal Credit Company as an active arm of the Ford sales force, charged with the duty of helping the Ford dealer and the Ford purchaser in any matters where credit is involved and which has such an important bearing on the merchandising of automobiles."

Another important sales function of the Universal Credit Company which Mr. Pierce brought out in our interview was the very important matter of goodwill. "The buyer delights in dealing with an organization which gives him prompt and courteous treatment, that deals with him in absolute fairness, ever maintaining the high standard of its service - a service rendered with the thought constantly in mind of making a repeat customer of the buyer. This becomes as the result a national appreciation for the value of the products and the sincerity of the manufacturer and the seller."

A truly helpful credit service with friendly treatment is the business philosophy behind UCC credit operations. The convenient terms and low cost and safety features offer Ford buyers real economy and safety through a company that serves the Ford market exclusively. UCC plans are available to Ford purchasers at Blackburn Motor Company, Heppner, Ore., who is an Authorized Ford Dealer in this community.

Every day people are returning to gainful employment. The increasing volume of time buying is evidence of the fact that with the return of employment comes the urge to buy necessary transportation representing true

IT WORKED FOR ME

Women should take only liquid laxatives

MORE people could feel fine, be fit and regular, if they would only follow the rule of doctors and hospitals in relieving constipation.

Never take any laxative that is harsh in action. Or one, the dose of which can't be exactly measured. Doctors know the danger if this rule is violated. They use a liquid laxative, and keep reducing the dose until the bowels need no help at all. Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why it should be a liquid like Syrup Pepsin. Ask your druggist for a bottle of Dr. Caldwell's Syrup Pepsin, and if it doesn't give you absolute relief, if it isn't a joy and comfort in the way it overcomes any sluggishness or biliousness, your money back.
