Official Paper for Morrow County

Be Ever Vigilant.

SMUG complacency should not be felt by Oregon motorists for their good record of accidents and fatalities in 1935. While the 1935 record shows improvement over that of 1934, a relaxation of vigilance will reverse the order, warns E. B. McDaniel, president Oregon Motor association.

Constant application of the rules of common sense while driving will increase the score against death on Oregon highways. Vigilance by the man at the wheel must not be relaxed.

Shall Morrow County Lack Representation?

STRESS of other business will probably keep him from being a candidate for reelection to the state senate, announces J. G. Barratt. Thus Morrow county at present is without any potential candidate for representation in the legislature.
