## THE DOCTORS ARE RIGHT

Many believe any laxative they might take only makes constipation worse. And that isn't true.

at all.

Reduced dosage is the secret of sidding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara — both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

#### Don't Entrust Your Own or Your Family's Well - Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN. He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved regularly. In your own interest re-member this.

You can get Genuine Bayer Aspirin at any drug store — simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this — and see that you get what you want.

### Oregon Flag Gets New Lease on Life

Nearly forgotten and existing only on paper up to a few days ago, the navy blue Oregon flag bearing a gold escutcheon and gold letters on one side and a gold beaver on the other, has been resurrected by the Oregon State Motor association. The last original flag burned in the statehouse fire. In this photograph E. B. McDaniel, president of the motor club, and Louise Muller of the motor club staff, display one of the banners made recently under McDaniel's direction. Inset shows the gold beaver appearing on the reverse side. Every school, city, county, chamber of commerce and service club should own and display

the state.
Until a few days ago no Oregon flag existed, the last one having burned in the statehouse fire, according to E. B. McDaniel, presiident of the motor association. Or egon, although patriotic, apparently had overlooked the absence of the states' official colors, he said.

Following a sketch appearing to the latest Oregon Blue Book, and observing the requirements of section 67-1201, Oregon code, 1930, three flags have been made under the direction of the motor club. These, it was pointed out, are the only Oregon flags in existence. "Every civic-minded organiza-

tion should own and display our state flag," declared Mr McDan.el. The navy blue banner bears an escutcheon in gold, supported by 33 gold stars, above which are the words "State of Oregon." Below
