**21 Graduates Will Receive Diplomas** at Exercises Tomorrow Evening. BANQUET ON TODAY

Juniors Fete Seniors at Parish House; Baccalaureate, Picnic Events of School Closing.

Dr. C. A. Howard, state superin-tendent of public instruction, will give the commencement address for the 21 graduates of Heppner high school who will receive diplomas at exercises beginning at 8 o'clock to-morrow evening at the gym-auditorium. commencement exercises

The mark the grand finale of the school year, and climax a busy week of activity in the schools. Baccalaulast Sunday evening at the audi-torium, with the address by Alvin Kleinfeldt, Christian minister. Tu-

In Eight Mile Section esday the entire high school enjoyed a picnic at the sawdust pile in Henry Baker, Charles Becket and the mountains, and tonight the Junior-Senior banquet is being held at the Episcopal parish house, followed by the prom at the gymnasium.

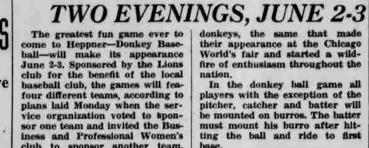

Honored members of the graduating class are Dorothy Jean Ad-kins, Edith Marie Barlow, Ray-mond Floyd Batty, Irene Anita Beamer, Howard Bryant, Ernest Julian Clark, W. Howard Cleve-land, Ray J. Coblantz, Betty Teresa Debrit Longe H Default Jenesa Jand, Ray J. Coblantz, Betty Teress Doherty, James H. Driscoll, James J. Farley, Howard Furlong, Ethy V. Hughes, Don W. Jones, Bernar-H. McMurdo, William McRoberts Lola L. Osborn, Boyd E. Redding Margaret Sprinkel Scott, Joseph C. Stephens, Steven S. Wehmeyer.

Eighteen members of Company The commencement program w be as follows: Processional, marc Curlitt, Marjorie Parker; invoc tion, Rev. Joseph Pope; "Thank Be to God," Dixon, high school cho rus; address, Dr. C. A. Howard "Blue Danube," J. Strauss, "A Jap anese Sunset," Deppen, school band presentation of class gift, William McRoberts; presentation of Norto Winnard cup, Garnet Barratt; com mencement song, Loomis, Lola O

born, Marie Barlow, Jean Adkin Betty Doherty; presentation of clas of 1936, Edward F. Bloom; presen-tation of diplomas, Dr. A. D. Mc Murdo; benediction, Alvin Klei feldt. Members of the class are wearing

caps and gowns in the formal clo ing exercises.

June 15 Closing Date

In the donkey ball game all players with the exception of the pitcher, catcher and batter will be mounted on burros. The batter must mount his burro after hitiness and Professional Women's club to sponsor another team, each of which will issue a chal-enge to teams from Lexington ting the ball and ride to first The games are slated to start at 7:15 in the evening, thus giv-ing everyone opportunity to see them. Full particulars on the games will appear next week.

and Ione. Jack Bartlett will be here from Tucson, Ariz., with fifteen trained District Governor Here;

LEGION OFFICERS HERE. June Valiant, regional rehabilitation officer, representing the na-

tional rehabilitation service at Washington, and Carl Moser, state adjutant, American Legion, made a short call on local post members Tuesday morning. These gentlemen are making a tour of the state, con-tacting each post and expect to cover 2500 miles before returning to Portland May 30.

HUNTERS-ANGLERS TO MEET.

Morrow County Hunters and An-glers club will meet at the Elks D. Tibbles, third vice president; club Monday evening, May 20, at 7:30 p. m. Everyone interested in wild life is invited to attend. "Bring a friend, join the club and help to-tor ford and C. J. D. Bauman, direcward increasing fish and game, and destroying birds and animal, which prey upon game," is the word of Bert Mason, president. Portland, was a club guest.

### RITNER THANKS FRIENDS.

Pendleton, May 20 .- Roy W. Ritner, who won the nomination for ing in this section is \$1.50 per acce. representative in Congress in the Consequently this man's earned recent primaries, made the following statement today:

I wish to thank my supporters in imum of \$150.00 and consequently Morrow county for the vote which he would receive as his class II

I received for representative in payment the full \$75.00, Congress. It made it possible for Had this particular m Had this particular man had no old alfalfa but only the new plantme to win the nomination in a close contest. If I should be successive the of course have been sol. In being elected at the general then of course have been sol. In that case, although he actually election, it is my ambition to be as earned \$75, the maximum limit earned \$75, the maximum limit efficient a representative as was the late Nick Sinnott. By hard work and careful study of the problems of eastern Oregon. Nick was a real help to his district. I intend is the class II payment and has no to visit each section of the Con-gressional district for the purpose bearing on the amount of the class I payment. Crested wheat grass is consider-

of learning its needs.

By JOSEPH BELANGER, County Agent Some confusion regarding the ag-

ricultural conservation program has resulted through publication during the past week of rates to be II payment. In most cases in Morrow county, where crested wheat grass will be seeded before Novemused in figuring the class II payment. The distinction between the ber 1 this fall, the acreage seeded class I and class II payments is to this grass will be the only soil clearcut. The class I payment is made on an acre basis for from conserving crop on the farm. In cases where this is true \$1 per acre 0 7 1-2 to 15 percent diversion from 0 the soil depleting acres for 1935 to would be the maximum payment, soil conserving crops or practices in 1936. This class I payment, ofper acre.

ten spoken of as the larger payment, cannot as yet be definitely determined. No county rates have been set, and this county rate will be absolutely necessary before we can arrive at the farm rate. to soil conserving crops.

On the other hand, the class II payment, sometimes called the smaller payment, can be figured at this time for any particular farm. All rates published in newspapers summer fallow for the purposes of during the last week have had reference to this type of payment. The maximum class II payment,

Beynard double plays, Shipley to Dean, Ferguson to Bucknum to Tur-ner bases on balls off Blankenship 1, off Rouse 3, off Sulivan 1, off Shipley 1; struck out by Rouse 2, by Blankenship 9, by Massev 4; chisel, rod weeder, double disk or other such tillage implements used in place of a moldboard plow so as to leave the dead stubble and plant growth distributed on or near the surface to check blowing.' is considered a soil conserving practice the acreage devoted to this practice may be included in the base for a class II payment. Figurgible for a maximum class II pay-ment of \$150.00. It should be borne in mind that this payment is made for seeding actually done in 1936. In the case just mentioned above this man seeded 50 acres in 1936 ing again, as we did above, the maximum class II payment is \$1 an acre for the total soil conserving base, the maximum class  $\Pi$  payment on farms practicing trashy and consequently the earned pay-

ment would be made only on these 50 acres. The rate for alfalfa seedpayment would be 50 times \$1.50 or \$75.00. This is less than the max-

the full earned payment will be made. Probably very few, if any, farmers in this county will be eligible for this trashy summer fal-low payment in 1936, although a

> planning to spread their straw back of the combine this year so as to be eligible for the payment in 1937. The definition of trashy summer fallow given above will clear up any question as to just what con-stitutes eligibility for this type of

class II payment. Anyone planning to comply for the new program in 1936 by plow-
