

IONE

By MARGARET BLAKE

Harvest operations are in full swing around Ione. With many farmers busy harvesting their crops it is possible to get a general idea of the yield. Many fields are not making quite as much as expected but the average yield as reported is about twelve bushels, varying from six bushels on the lighter soil to around twenty bushels in the Eight Mile and Gooseberry sections. As far as we know Nichol Thompson is the first to complete this year's harvest, having finished last Tuesday. Wheat lasts so far show an excellent quality of wheat.

T. E. Edwards of Coburg was a visitor here Tuesday. He is the owner of the ranch on which Ernest Christopherson makes his home.

Chas. H. Hudson of Pendleton and W. F. Honey of Gresham, both owners of wheat farms near here, are registered at the Park hotel.

The huckleberry crop in the mountains lured a number of residents in that direction last Sunday. Among those who reaped the makings for future pies were Mrs. Bert Mason, Mrs. Walter Corley and son, Walter, Mr. and Mrs. C. F. Feldman, Mr. and Mrs. W. J. Blake, Mr. and Mrs. A. A. McCabe.

Mr. and Mrs. Faye McNabb of Lyle, Wn., were business visitors here Tuesday.

Mrs. Olaf Bergstrom was the guest of her daughter, Mrs. Carl Allyn, over night Saturday.

Mary K. and Joanne Blake returned Sunday from a three weeks' visit in Portland. They were met at Arlington by Mr. and Mrs. E. J. Blake.

Mrs. Harry Yarnell has returned from The Dalles and is recovering rapidly from her recent operation. Alton, young son of Mr. and Mrs. Yarnell, is also making satisfactory improvement from his illness.

The library books were moved to the new quarters in Bert Mason's store last week and the library will be open on its regular schedule, Tuesday and Saturday afternoons. Very attractive quarters have been arranged in the east side of the hardware room. During the past few days 250 books have been received from the state library and placed on the shelves. Most of these books are fiction and there are also some very nice children's books among them and a smattering of books on travel, science, etc.

H. D. McCurdy received word last Friday of the death of his mother, Mrs. S. E. McCurdy, on Thursday, at her home near Los Angeles. Mr. and Mrs. McCurdy departed by car for that city immediately but had car trouble beyond Fossil and were forced to return to Arlington where Mr. McCurdy took the train. Mrs. McCurdy returned home.

Mrs. D. L. Perrot of Portland is visiting at the home of her daughter, Mrs. Franklin Ely.

Miss Dot Crabtree of Salem arrived on Sunday for a visit with friends.

Mrs. Cynthia Cochran returned Tuesday from Lonerock where she has been visiting her sister, Mrs. Carrie Cason. She will spend some time with her sister, Mrs. T. E. Grabbill, before returning to her home in Yakima.

Mrs. Ted Smith has received word that her husband has had the cast removed which it has been necessary for him to wear for the past three months following a surgical operation, and will be about on crutches for a time, getting his "sea legs" only now. It will be necessary for him to remain at the hospital for a few weeks longer.

Mrs. Fred Nicholson and daughter Alice departed by train Monday night to visit the family of Mr. and Mrs. James Cossman at West Lake where they are domiciled at their summer camp.

The Women's Topic club enjoyed its July social meeting at the home of Mrs. R. W. Lieuallen last Friday afternoon. Three tables of auction were in play. Prizes went to Mrs. C. W. Swanson and Mrs. Louis Berggren. Other guests were Mrs. C. F. Feldman, Mrs. Werner Hietman, Mrs. D. M. Ward, Mrs. Ed Dichi, Mrs. C. W. McNamer, Mrs. Nora Brown, Mrs. Zada Langkilde, Mrs. Bert Mason, Mrs. Clyde Denny and Mrs. Agnes Wilcox. Refreshments were served before play began, by the hostesses, Mrs. M. E. Cotter and Mrs. Lieuallen. The August study meeting will be held next Saturday, August 1, at the home of Mrs. C. W. Swanson.

F. E. Sturdevant returned Saturday from Portland where he was called recently by the very serious illness of his foster mother. He reports her to be in very serious condition but somewhat improved. Mr. Sturdevant will preach at the Christian church next Sunday morning immediately after the Sunday school hour. Mrs. Ture Peterson will sing special numbers from the "Messiah" during the service.

J. J. Wells was a business visitor here from Heppner Tuesday.

SALEM.—Except for an occasional picnic and pep rally to keep up the morale of the partisans politics can be expected to take a recess for the remainder of the summer. The public is in no mood to listen to the arguments of office seekers during the dog days of July and August and the wise candidate will conserve his energies until the voter is more receptive to his offerings—after the end of the vacation season along about September 1.

This does not mean that the political medicine men are going to remain idle for the next six weeks. Not by a considerable. Here in Oregon the two major parties have just revamped their state organizations, strategy boards are being selected and there will be plenty of behind-the-scenes action in preparation for the big push this fall when both the Republicans and Democrats go out to carry the

state, while the Townsends and the Union party adherents and the numerous independent aspirants do their best to cross up both of the big parties and gather the plums unto themselves.

And speaking of the reorganization of the state central committees there was a meed of surprise in both sessions. Claude McCulloch of Klamath Falls went into the democratic race for state chairman as a dark horse although he polled 19 votes on the first ballot and received the benefit of the support of Fred Fisk and some of Floyd Bilyeu's votes when it developed into a fight between Jack Canfield of Tillamook county against the field.

On the republican side of the picture efforts of Floyd Cook and his fellow "horsemen" to stop Arthur W. Fraix in his race for reelection failed when the Chiloquin newspaperman went into the committee meeting with 19 of the 30 votes in his pocket, signed, sealed and delivered.

Dr. Ralph I. Shaddock, area manager of the Townsend organization, just returned from their national convention in Cleveland has let it be known that there will be a complete Townsend congressional and legislative ticket in Oregon. Nominees of the two major parties who are found to be sympathetic to the Townsend program will be given the endorsement of that organization. In districts where no Townsend sympathizer is on the ballot independent candidates will be placed in the field.

Reports drifting into Salem indicate that "Union" party petitions are being circulated in several counties with results that are very gratifying to the promoters of the new organization who expect to complete their petitions in time to qualify for a place on the November ballot. Socialists who are also active throughout the state will not attempt to qualify as a party but will bring their candidates out under the "independent" label.

Senator F. M. Franciscovich of Clatsop county was in Salem this week on a tour of the state in the interest of his candidacy for the senate presidency. He refused to say how many votes he had "in the bag" but declared that he was well satisfied with his prospects. Senator Pierson, democrat of Multnomah county, is also a candidate for this honor, while several senators are in a receptive mood including Dean Walker of Polk county and Robert M. Duncan of Harney county.

World war veterans serving time in the Oregon penitentiary received bonus payments aggregating \$22,941. Thirty-eight of the 47 veterans in the institution qualified for the bonus. The others served in the army less than 90 days. Two of the pension beneficiaries are life termers. Several others are serving long terms of 20 to 25 years.

See the New Gasoline Economy of the FORD V-8— (Demonstrated before your eyes!)

WE have painted up a "Scottie Car" simply to demonstrate the increased mileage of this new 1936 Ford V-8. It is not a "special" Ford car. It is a regular 1936 stock model Ford V-8 with distinctive exterior decoration and a glass gallon jug connected with a Zenith tester. No adjustments have been made to make it perform differently from any new stock car. The jug is added so that you can see a measured amount of gasoline used with your own eyes, instead of having it come from the tank at the rear.

Take a ride in a "Scottie Car." See for yourself that a Ford V-8 is just as economical on gasoline as smaller, less powerful cars. You can arrange it without cost or obligation by calling —YOUR FORD DEALER
