Class Meetings

The various classes of Heppner high met last week to elect officers and outline a program for the year. However, from the shouts issuing from meeting rooms, they could have been mistaken for "pep" rallies. This noise is totally unnecessary in a class meeting. A group of students should be able to conduct a business meeting without making a rough house of it. The presiding officer cannot be heard for the arguing among the students. If this were eliminated and the business of the meeting attended to in an orderly way, the meetings would accomplish a great deal more. During the election of officers, some students think it amusing to nominate an incompetent person for an important office in the class. This is embarrassing to the person nominated, and it certainly lacks the humor intended. Why not take class meetings seriously and try to have a well conducted meeting for a change?

"Rousing Rally"

Last Friday night at 7:30, a football rally was held. It started in front of the postoffice and proceeded up Main street. Nearly every member of the student body was present. A large number of the grade school students came out and showed that they had school spirit as well as the high school students. The result of this rousing rally was shown Saturday when the team won such an outstanding victory over Fossil.

New Class Started

This year a change has been made in the physical education program. A new health course is being given in addition to the regular gym classes. Every Monday the girls meet with Miss Peterson and the boys with Mr. Tetz for constructive health discussions. New books were purchased by members of the student body. It is hoped that the students will receive a great deal of valuable knowledge from the new course.

Class News

The American history class gave reports on current events orally Friday.

The algebra class will begin study of formulas after their present study of graphs is finished. The making and printing of color combinations is being carried on by the art class.

Study of animals and animal life is being taken up by the biology class.

Personals

La Verne Van Marter has been ill at his home for the past few days because of a severe case of ptomaine poisoning.

Marjorie McCerrin and Rosanna Farley were absent from school last week.

Other absences this week were Joan Wright and Norton King.

Club Officers Elected

The Benzine Ring has elected its officers for the year as follows: president, La Verne Van Marter; vice-president, Jackson Gilliam; secretary-treasurer, Neva Bleakman. Three new members have been chosen: Frances McCarty,

Bethal Blake and John Crawford. These new members will be initiated next Wednesday night. The Pep club met Friday and re-organized for the coming year. They chose four new members to be taken into the club: La Verne Van Marter, Paul Brown, Gerald Cason and Louise Anderson. The next meeting will be for the election of new officers.

The Home for Ancient Jokes Betty Bergevin—I've just heard that one about Moses getting sick on a mountain. Daniel Chinn—Sick? You're ridiculous. Betty—I am not! Doesn't the Bible say the Lord gave Moses two tablets?

Bethal Blake—What color dress will you wear to the ball? A. Casebeer—We're supposed to wear something to match our boyfriend's hair, so I'll wear black. What will you wear? Bethal—Oh, I don't think I'll go. My friend is bald.

Have you ever seen or heard of—La Verne Van Marter making a trip to Lone last week? The student body president with the junior class vice-president, or was it the sophomore class secretary? Andy Shoun writing notes to a freshman girl? Bill Browning getting run over by a sheep? Marjorie Parker riding around in a Ford V8?

Doc—How did you happen to take that poison? Didn't you read the sign on it? It said "Poison." Gerald Roberts—Yes, sir. But I didn't believe it because underneath it was a sign that said "Lye."

Maxine McCurdy—Knock, knock. Francis McCarty—Who is there? Maxine—Tunic. Francis—Tunic who? Maxine—Tu-Nic, with love.

40-0 Victory With scarcely two weeks of practice, Heppner high's Fighting Irish beat the Fossil team tonight to a 40-0 defeat on the local field Saturday afternoon.

During the first quarter the teams seemed evenly matched. Early in the second quarter Gilman threw a pass to Munkers, and on the next play Gilman went over for the first touchdown. The attempted placekick was blocked. At the half the score was 6-0 in Heppner's favor. During the last half through effective passing and good all-round playing, Heppner ran up several touchdowns, making the final score a victory of 40-0.

Next Saturday the Fighting Irish journey to Pendleton to meet the strong Pendleton team. But with one game to their credit, and a week to iron out the faults that showed up in the first game, they hope to revenge the defeat handed out to them two years ago by the Bucks.

Passengers in the smoking compartment on my train were arguing about why railroad business is picking up.

A factory owner said it was because of free pick-up and delivery of less than carload freight. The railroad calls for the LCL freight at shipper's door and delivers it to consignee's door.

A traveling salesman said it was because so many passenger and freight trains now run on faster schedules.

There was a school principal in the group and he said it was because train travel is so much cheaper for passengers. He said passenger fares are at the lowest point in history, with substantial reductions if you buy a round-trip ticket—and no more surcharge for riding in sleeping cars.

One man, a farmer, said he liked something he could depend on, that's why he was traveling by train.

Another man, a newspaper reporter, said people were in favor of railroad travel because it is by far the safest. He quoted a lot of statistics from a book called "Live and Let Live."

A banker we all know by name said railroad tax payments mean a lot in this state.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.
