

## Local Happenings

David Hynd was in town Tuesday from Hynd Bros. company Sand Hollow ranch. He was in favor of some good rains anytime now. While there is considerable dry grass on the range due to the heavier growth this spring, still he believes green grass makes for a better bucking season for the sheep. Grass in the mountains greened up with the rains a short time ago, but he fears it is going to dry up again. The company holds its sheep in the mountains and foothills as long as possible, and it will be a month yet before they are taken to the lower country.

J. G. Barratt, Jack Hynd and Mark Merrill returned home late Tuesday night from a motor trip to Browning, Montana, where Mr. Barratt went to look after his sheep interests. Some snow had fallen recently in that section, and it appeared range would hold up for the usual time, Mr. Barratt said. When he was there the middle of the summer it appeared the grass would be gone much sooner than usual due to the drought.

Mrs. E. L. Vinton of Coquille and Mrs. Ray Luper and son Fred of Portland were visiting Heppner relatives and friends this week. Mrs. Vinton was cut off from hearing from her family for several days by the big coast fire reported as threatening the city of Coquille. Mrs. Vinton and Mrs. Luper are sisters, formerly being the Misses Lorraine and Odile Groshens, sisters of Emil Groshens of this city.

Miss Velma Degermark and Mrs. George Schemlein of Vancouver, Wash., were guests for a few days last week of Mr. and Mrs. H. O. Tenney. Mrs. Schemlein is a niece of Mr. Tenney's. She was formerly Miss Shirley Mix of Camas, Wn., well known radio performer. The ladies left for home Friday and Mr. Tenney accompanied them to Portland, expecting to return home this week end.

Mr. and Mrs. Marvin Dixon, with the local CCC camp, and Mr. and Mrs. D. M. Ward and Mrs. Florence Dimick moved into apartments in the new Devine apartment house this week. Mrs. Martha Wright, mother of Mrs. Devine, is occupying another apartment, and keeping her grandchildren, the children of Mr. and Mrs. Orrin Wright of Rhea creek, who are attending school here.

Bub Clark is reported to be making satisfactory progress in his illness, following the amputation of his right leg just above the knee last week. He is still confined at the hospital in Pendleton. Mrs. Clark returned to Heppner the first of the week to look after business matters, while Mr. Clark's sister, Mrs. Ivy Joy of Mexico City remained with him in Pendleton.

There will be a card party and social night at Lexington grange hall Friday evening, Oct. 2, for members and friends they may wish to invite. No business meeting will be held and there is no charge. Please bring sandwiches or cookies for refreshments and cards and tables if you have them. Every member come and a good time will be had by all.

Attending joint installation ceremonies of Pendleton post, American Legion and auxiliary at Pendleton Monday evening were Mr. and Mrs. Alva Jones, Mr. and Mrs. P. M. Gemmell and Mr. and Mrs. Spencer Crawford. Following the installation the evening was spent in dancing and refreshments were served.

C. A. Fisk, conductor on the local branch O-W-R & N, a number of years ago when his family resided here, took over that position again this week, succeeding Tom Clark, who will remain on the local run as brakeman. Mr. Fisk ran on the main line for several years after leaving here.

Mrs. H. O. Tenney and Miss Rose Leibbrand motored to Portland Saturday, where Mrs. Tenney that evening attended the wedding of Miss Nancy Lee Hodges, a friend who visited here recently.

Orville Cutsforth was in the city yesterday consulting a physician about an infected eye resulting from a piece of foreign matter becoming embedded in the eyeball. It was necessary to cocaine the orb and scrape it. Mr. Cutsforth was wearing a bandage over the affected organ.

Mrs. Truman Babb arrived home Sunday from Ontario where she had been for three weeks with Mr. Babb who is constructing a residence there for E. L. Minton's mother. Mr. and Mrs. J. V. Crawford drove to Ontario and accompanied Mrs. Babb home.

Mr. and Mrs. E. L. Morton and Mrs. Fred Lucas motored to Ontario Saturday, returning home Sunday. Mr. and Mrs. Morton visited at the home of Mr. Morton's mother, while Mrs. Lucas visited at the home of her daughter, Mrs. Fred Lees.

Mr. and Mrs. Dorris Mitchell and baby daughter Lorraine, and Mrs. Early, mother of Mr. Mitchell, arrived the end of the week from Joseph for a visit at the home of Mrs. Mitchell's parents, Mr. and Mrs. F. S. Parker.

Word has been received by Heppner friends of the marriage of Duane Brown, son of Mr. and Mrs. F. R. Brown, formerly of this city, and Miss Lillian Bean, Sept. 14, at Albany where they will make their home.

Mr. and Mrs. Lowell Turner enjoyed a fishing trip to Olive lake last week in company with Mr. and Mrs. Nolan Turner of Pendleton. Returning home Sunday evening, Lowell reported the fishing excellent.

Alex Gibb departed for Ontario Saturday, expecting to be there for some time while working at his trade of plumber. The Gibb's home was moved into the Ferguson cabins the end of the week.

Charles H. Latourell was a visitor in the city the end of the week from Depoe Bay on the coast. He was looking forward to his annual hunt for one of eastern Oregon's big muledeer.

John Parker from Portland and Miss Mary Van Humiston from Arlington were end of the week guests at the home of Mr. and Mrs. F. S. Parker, parents of Mr. Parker.

Bill Mahrt, former electrician here, was transacting business in the city Saturday from Pendleton where he now has an agency for farm electrical equipment.

John Kinsman, one-time Heppner meat cutter for several years, was in the city the end of the week on business from his home at McMinnville.

Miss Maybelle Wilde, secretary of the Seaside chamber of commerce, was a week-end guest of Mrs. H. O. Tenney at Hotel Heppner.

Dr. J. P. Stewart, Eye-Sight Specialist of Pendleton, will be at the HEPPNER HOTEL on WEDNESDAY, OCTOBER 7th.

Lawrence Palmer was among farmers of the Lexington section in the city Tuesday, attending the soil conservation meeting.

Mrs. Eliza Ahern of Aberdeen, S. Dak., is visiting at the home of her niece, Mrs. Paul M. Gemmell.

Lish Watkins took quite ill at his home this week and was removed to Morrow General hospital.

Bert Johnson was in the city on Tuesday from Ione, attending the soil conservation meeting.

Grant Olden was a business visitor in the city Saturday from the farm on Rhea creek.

Joe N. Batty was a business visitor in town Friday from the farm near Hardman.

R. H. Steers and son of Hardman were business visitors in the city Tuesday.

**The Irish Defeated**  
Saturday afternoon the Pendleton high school team sent the Heppner squad to defeat by the score of 37-0. Heppner's Fighting Irish put up a stubborn resistance against the Buckaroos, but the Bucks, having a great number of substitutes, wore the Irishmen out by running in fresh men at short intervals. The score at the end of the first half was 6-0.

The two successive touchdowns and the three others in the second half seemed to take the pep out of the Heppner players.

Due to the injury of Don Turner and Vernon Knowles in the first half and Len Gilman, Riley Munkers and Richard Hayes in the second half, the Fighting Irish were badly crippled for the remainder of the game.

**Humor**  
Louise to Norton while out riding—That's an attractive village we're coming to, wasn't it?

Beth Vance to her little sister—Now, Lois Mae, what comes after "ov"?

Lois Mae—Yeah.

A little bird told us—That Zelma Eskelson got a hair cut in Lexington Saturday night.

That some of the students who attended Social Hour put into practice the saying "longest way 'round is the shortest way home."

That Marjorie McFerrin went bicycling with a freshman boy one evening.

That there's a new romance in school. What about it, Paul?

That Ruth Green is offering her kingdom for a kiss from someone.

That Scott McMurdo has put in a bid for a trailer so he can take more girls to Pendleton next time.

That Necha Coblantz goes to the postoffice every day to get a letter from a half mile from Halfway, and Carol looks for one from Lexington.

**Class Rush**  
This Friday will bring the annual class rush between the freshmen and sophomore classes at the Rodeo field. This event is always looked forward to with much enthusiasm by the upper classesmen, especially the sophomores, who usually take the pleasure of annihilating the freshmen, to say nothing of what they do to them at the initiation, as it is the first real test of the lowly frosh.

In the past the sophs have beaten the frosh nearly every year, but this year the frosh have a large, strong class, so it promises to be a very close affair with both classes nearly on a par, physically at least, so the parade and play will probably be the deciding factors in the final outcome. The frosh have everything to win and nothing to lose, so the sophomore class cannot let itself be disgraced by letting the poor green freshmen score a victory.

— H.H.S. —

A short assembly was held Friday for the purpose of giving the Fighting Irish a send-off for the Pendleton-Heppner game Saturday. Real school spirit was evidenced by the peppy songs, excellent yells and support given the team. Even though our boys were not victorious

in their Pendleton game, our student body is still behind them and we have high hopes for the future.

**Club News**

The Benzine Ring met Wednesday night for the purpose of initiating Gerald Roberts and Len Gilman. Reports were given by Len and Gerald. Later Don Turner performed an experiment.

The Pep club met Thursday night to elect new officers. These officers were Ruth Green, president; Norton King, vice-president and publicity manager; secretary-treasurer, Arlene Morton.

— H.H.S. —

**Boys' Sports**

The gym class for boys is arranged in four squads for the purpose of having inter-class games of touch football. Touch football is rapidly spreading the country as a way to keep fit. Instead of tackling the man with the ball, one must touch him with both hands; otherwise it is practically the same as regular football. Touch football will be played for at least two or more weeks, if the summer weather prevails; then it gives way to volleyball or some other sport.

— H.H.S. —

**Girls' Sports**

The girls' gym class has organized squads with a senior girl at the head of each squad. They plan to start playing basketball this week. All of the girls do not have their gym suits as yet and will have to run relay races until everyone brings her suit.

**Personals**

La Verne Van Marter has returned to school after a short illness.

Louise Anderson and Delsia Harshman were absent from school one day last week.

Kay Parker was absent one day last week, due to a cold.

Don Turner received a dislocated shoulder in the game at Pendleton Saturday.

## M. D. Clark

Is your family "lost in a fog" every winter wash day?

...THEN YOU SHOULD HAVE AN ALL-ELECTRIC HOME LAUNDRY!

Build from our free plans!

● If you haven't an all-electric home laundry, winter laundering probably makes your house very uncomfortable . . . wet clothes hanging about . . . windows covered with steam . . . your family irritable . . . and you limp and exhausted.

So why not decide right now that you're tired of old-fashioned methods—that you want convenience! Decide that you're going to have an electric washer and an electric ironer to do your slaving—that an electric water heater is going to supply you hot

water every time you turn a faucet. Declare for a separate, well-planned laundry room, which will save you time and steps and keep the rest of your house from being a "Turkish Bath" every winter wash day.

You may have to build your all-electric laundry gradually as you can afford equipment and construction. But work out your plan now. To help you, Jeannette Cramer, noted home service advisor, has designed six efficient but inexpensive laundries for Northwest homes. Copies of her plans are free. Ask your nearest Pacific Power & Light Company office for them.

1936 appliances offer big values at low prices!

**ELECTRIC WASHER**

The first appliance you need in your all-electric home laundry is a modern electric washer. The new washers are kind to even the most delicate fabrics, yet so efficient that every trace of dirt is quickly flushed away. Sturdy construction insures years of service. New features and low prices make 1936 models real bargains. Select your new washer today.

**ELECTRIC IRONER**

The next appliance you should acquire for your laundry is an electric ironer, which takes the backache out of ironing. All you do is sit and feed your pieces through. The ironer exerts all the pressure—does all the lifting and pushing—not you! And your ironing time is cut in half. Prices on electric ironers are very reasonable—terms are designed for your convenience.

**ELECTRIC WATER HEATER**

When you have an automatic electric water heater, you not only have abundant hot water for laundering, but also for every household use . . . day, night, winter, summer. It's as if you have an ever-flowing hot spring in your home. Plan to install your automatic electric water heater soon. Low heater costs and our low water heating rate make automatic electric hot water service a convenience you can easily afford.
