Sportsmanship

"Fairness and generosity in sports and games" is the definition the dictionary gives of sportsmanship. In a larger sense, fine sportsmanship is the greatest benefit to be gained from the playing of games, a quality of character most necessary in the greatest game of all, that of living. The game played between Heppner and Pendleton is over, and the Heppner players and rooters carry with them the knowledge of the defeat of their team. Heppner has lost but yet won far more than the vanishing glory of victory; for they possess the wholesome joy of having played the game with sportsmanship coming first; they have learned to lose with a smile. When they play Arlington this Friday, the memory of the true sportsmanship and spirit shown at the Pendleton game will spur them on to win. When they enter the lists of the Great Game, they will take Life's hard knocks with resilient courage and a rebounding spirit. We cannot win all the games, but we can keep before our eyes the highest ideals of sportsmanship.

Girls Sports
As yet, most of the girls have not brought their gym suits; therefore, the classes will continue to run relay until all girls have suits. Last Friday, Miss Peterson read to the girls the plan to follow in order to receive a monogram or a letter.

Junior Loud Sock Day
Did you notice any particularly extraordinary looking stockings this week?
The annual event of Junior Loud Sock day was held Monday. There were many new styles worn that may introduce a new stocking era. Did you think you would like to wear them?
Junior Loud Sock day is held once a year during the first six weeks of school. The members of the junior class are compelled to wear bright colored stockings to school and be prepared to wear them all day. If any individual forgets his stock-

ings, he is punished by the student body.

Six members of the junior class forgot to wear their loud stockings. The student body will think of some way to punish these offenders.

The junior classmen will their private feelings about the subject to the sophomore class.

HUMOR
Miss Peterson (in Art class)—Don, I wish you wouldn't whistle while you're working.
Don Turner—I wasn't working, Miss Peterson.

Scott McMurdo—I hear your car has no speedometer.
Andy Shoun—That doesn't matter. At ten miles an hour the windshield rattles; at fifteen the headlights; at twenty the bumper, and at twenty-five I rattle.

Norton King (slowing the car down a bit)—Whee! Don't you feel glad you're alive?
Louise A.—Glad isn't the word. I'm amazed.

Frosh Win Class Rush

The annual Class Rush last Friday afternoon resulted in a victory for the freshmen. They will now be allowed to hang their pennant in the assembly hall without being humiliated with the little green banner awarded to the frosh when they lose the class rush.

The fact that most of the events were very close made it difficult for the judges to make the final decision giving the freshmen the victory.

During the latter part of the parade, it was difficult to tell whether this was to be a revival of the old "pennant fight" or the more civilized class rush. In the "free for all" several signs were torn up, but the difficulty was finally settled with no hard feelings (at least, so it is hoped).

Following are the events, the number of points each, and the winners of each:
Tug-of-war, 100 sophs; parade, 100 frosh; nail driving contest, 100 sophs; goal to goal, 100 frosh; skit, 100 frosh; crab race, 50 sophs; boys' 50 yd. dash, 50 frosh; girls' 50 yd. dash, 50 frosh; boys' quarter-mile relay, 100 sophs; girls' quarter-mile relay, 100 frosh; baseball throw, 50 sophs.

Now Ease Neuritis Pains Fast

Bayer Tablets Dissolve Almost Instantly
In 2 seconds by stop watch, a genuine BAYER Aspirin tablet starts to disintegrate and go to work. Drop a Bayer Aspirin tablet into a glass of water. By the time it hits the bottom of the glass it is disintegrating. What happens in this glass... happens in your stomach.

For Amazingly Quick Relief Get Genuine Bayer Aspirin

If you suffer from pains of neuritis what you want is quick relief. Genuine Bayer Aspirin tablets give quick relief, for one reason, because they dissolve or disintegrate almost instantly they touch moisture. (Note illustration above.)

Hence—when you take a real Bayer Aspirin tablet it starts to dissolve almost as quickly as you swallow it. And thus is ready to start working almost instantly... headaches, neuralgia and neuritis pains start easing almost at once.

That's why millions never ask for aspirin by the name aspirin alone when they buy, but always say "BAYER ASPIRIN" and see that they get it.
Try it. You'll say it's marvelous.

Six Reasons That Urge a "NO" vote on State Power Bill

(1) This bill puts the State of Oregon head over heels into the electric power business, sets up a commission of three men, without bond and with no required qualifications, to run this gigantic system.

(2) \$18,000,000 of tax-supported bonds can be sold, when authorized, to build this state-wide power system. By simple process of amending the bill \$54,000,000 of tax-supported bonds may later be authorized and sold. These bonds must be paid by taxes if the system is unsuccessful.

(3) How can a complete state power system be built for \$18,000,000 when the State Planning Board advisory committee on power estimated cost of TRANSMISSION SYSTEM ONLY to be \$29,870,000? (See committee's report to governor of Oregon, Dec. 20, 1935, page 13.)

(4) This bill contains no promise or assurance of lower electric rates; rates may vary and be juggled at the commission's whim.

(5) Cities, counties, and the state will lose millions of taxes now paid by existing utilities, thus forcing higher taxes on remaining property.

(6) This 3-man power commission can buy any property or engage in any business "deemed necessary or convenient." Here is opportunity for vast political activity under control of a NEW STATE COMMISSION. (See Section 9, subsection 10).

START YOUR All-Electric HOME LAUNDRY NOW!

Our free laundry plans are very helpful!

● Does winter laundering fill your home with steam... turn it into a "Turkish Bath"? Then what you need is a well-planned room just for laundering—an all-electric home laundry!

In your laundry room, you need an electric washer and an electric ironer, which take all the drudgery out of laundering. They do the hard work—not you! They also minimize wear on your clothes and make your finished work so attractive. You also need an automatic electric water heater, which gives you effortless hot water for every household use any time you turn a faucet.

Plan for your all-electric laundry now and work toward its completion as you buy equipment. To serve as a basis for your planning, Jeannette Cramer, well-known home service advisor, has designed 6 laundries that may be built inexpensively into Northwest homes. ELECTRIC WASHER
The first appliance you need in your all-electric home laundry is a modern electric washer. The new washers are kind to even the most delicate fabrics, yet so efficient that every trace of dirt is quickly flushed away. Sturdy construction insures years of service. Low prices make 1936 models real bargains.

ELECTRIC IRONER
The next appliance you should acquire for your laundry is an electric ironer, which takes the backache out of ironing. All you do is sit and feed your pieces through. The ironer exerts all the pressure—does all the lifting and pushing—not you! And your ironing time is cut in half. Prices on electric ironers are very reasonable—terms convenient.

ELECTRIC WATER HEATER
When you have an automatic electric water heater, you not only have abundant hot water for laundering, but also for every household use... day, night, winter, summer. It's as if you have an ever-flowing hot spring in your home. Plan to install your automatic electric water heater soon. Low heater costs and our low water heating rate make automatic electric hot water service a convenience you can easily afford.
