

# Local Happenings

Townsendites and their friends in the vicinity of Hardman will meet at the Hardman school house Saturday night, Oct. 17, at 7:30 for an entertainment and social meeting. Mrs. Chris Brown of Heppner will speak on things vital to the movement as election date approaches. Hardman people are making plans for an enjoyable evening. Light refreshments will be served.

Mr. and Mrs. Gene Ferguson left for Gold Beach early Saturday morning in response to word of the death of Mr. Ferguson's mother, Mrs. O. T. Ferguson. They picked up Mr. and Mrs. R. E. Ferguson in Portland, the latter having gone to that city the day previous. Mrs. Ferguson died Friday at Ashland and the body was taken to Gold Beach for burial.

Among successful hunters going out after their deer this week were Lowell Turner, Nolan Turner of Pendleton, and Oral Wright. Lowell got a hundred pounder while the other two bagged two bucks weighing over 200 pounds. Mrs. Lowell Turner succeeded in getting a shot at a nice animal, but missed. She hopes for better luck next time.

Mr. and Mrs. Hugh Wade and son of Juneau, Alaska, were visitors in Heppner a short time this week, calling at the home of Mrs. Wade's uncle, M. L. Case, on their way home from Washington, D. C. Mr. Wade has charge of three government relief projects at Juneau. Mrs. Wade is a daughter of Will Case, long-time Alaska resident.

E. J. Evans was a business visitor in the city Saturday from the farm near Lexington. Mr. Evans, a native of Ohio, recalled seeing and hearing James M. Cox, former governor of Ohio, speak while a resident there. The incident was recalled by the ex-governor's radio address the evening before.

Fred Wehmeyer brought a 196-pound buck into town the first of the week. He failed to get an animal quite as large as that killed last year, which tipped the scales at 198, but it was a little larger than the one he got three years ago, a 192-pounder.

Frank Gentry was reported quite ill in a Portland hospital this week. His mother, Mrs. Mack Gentry, went to the city to be with him.

- For Sale—Dairy goats, milkers, young does, purebred Rock Alpine bucks. Zoe Bauerfeind, Morgan, Or. 29-31p
- Maternity and convalescent cases cared for in my home. Mrs. J. B. Cason. 51f

Mr. and Mrs. Loy M. Turner arrived the first of the week from their home at Long Beach, Cal., for a visit at the parental home of Mr. and Mrs. R. W. Turner and other relatives and friends. Mr. Turner made the trip at this time especially to see his brother, Harry Turner, who has been critically ill, but who is showing improvement.

Carson Bigbee of Portland arrived in the city yesterday and accompanied L. Van Marter to the tall timber on the annual deer hunt of these gentlemen. "Van" and "Skeet," as this Bigbee brother who held down a big league baseball berth for several years is known, are former U. of O. classmates.

"Ducky" Drake, who pitched ball for the local club for several seasons a few years ago, came through town the first of the week on his way from Portland to the tall timber in quest of deer. "Ducky" played with the Portland team this season which took the state championship.

Rod Thomson is taking a two weeks' vacation from his duties as truck driver with the Union Oil company. He went to Portland the end of the week and took in the O. S. C.-California football game, and expected to put in part of the time running down a buck deer.

Charles Vaughn brought in a buck weighing 223½ pounds this week, the largest up to that time weighed in Gilliam & Bisbee's big buck contest. Hunting with Mr. Vaughn were Charles Cox and Len and Earl Gilliam.

Henry E. Peterson was in the city Monday from the Gooseberry farm, making arrangements to leave Tuesday for Walla Walla where he expected to enter the veterans' hospital for further treatment for stomach trouble.

Elmer Griffith, Morgan warehouseman and wheat buyer for Kerr-Gifford & Co., was a business visitor in the city Monday. He announced that he had been appointed to buy for Heppner, Lexington and Ione.

Francis Nickerson, U.-O. student, has been assigned a position to one of the night editorships on the Daily Emerald, university paper, according to word received by his parents, Mr. and Mrs. F. B. Nickerson.

Bruce Gibb returned home Friday night from attending a mechanics' school in Portland, to take charge of Ferguson Motor company in the absence of Ray and Gene Ferguson, proprietors.

The ladies of the Methodist church will serve a Harvest dinner, Wednesday, Oct. 21, 5 to 8, at the church. Public invited. Price 40c. Children 25c. 31-32p.

Clyde Swift was in town Tuesday morning obtaining "no trespassing" signs for posting on his place near Lexington during the bird hunting season.

Mrs. Truman Babb returned to Ontario Saturday morning to stay with her husband until he completes work he has under construction there.

Mrs. Marie Clary and Mrs. Anna Heiny were teachers of the south end transacting business in the city the end of the week.

L. A. Florence was down town yesterday from the Willow creek farm, transacting business as clerk of School District 34.

Dr. A. D. McMurdo is reported to be making good progress toward recovery in his convalescence at Heppner hospital.

Mrs. James Leach of Lexington was visiting Monday at the home of her parents, Mr. and Mrs. Mack Smith.

Wm. Greener was transacting business in town Tuesday from his mountain farm home.

Mr. and Mrs. Tom Clark and Mrs. Alva Jones motored to Portland the end of the week.

### Band to Play at Lexington

The Heppner school band is scheduled to play at the Pioneers' reunion at Lexington Saturday, October 17, if the weather permits. The band now has thirty-seven members, with well balanced instrumentation and a complete drum section, thus it should make a good showing, even though it has had but a short time to practice.

There will be both indoor and outdoor playing, which will show both concert and rhythm abilities. —H.H.S.—

### Club News

The Benzine Ring will hold a meeting tonight. Though there will be no initiation, they will probably vote in two more members. The program for this meeting will consist of the reading and discussion of the Constitution. —H.H.S.—

### Grade News

Jack O'Hara, formerly of Weston enrolled in the eighth grade last week.

Kathryn Thompson returned home on Saturday from Portland where she had been attending the Livestock exposition.

The eighth grade held a meeting to elect a new patrolman, after the resignation of the former one.

The seventh and eighth grades are planning a Halloween party to be held in the gym October 23. Committees are being appointed to take care of the necessary details. Six week's tests are being given.

and report cards will be issued Wednesday. —H.H.S.—

### Assembly

The purpose of the assembly which was held Thursday morning was to have all high school clubs and their functions explained. Art McAtee also talked to the freshmen about initiation and who they were to represent.

A report was given by Marvin Casebeer and Andy Shoun on their trip to Portland. Norton King explained the purpose of the Pep club. Gerald Cason explained the purpose and functions of the Hehisch committee, and Billy McCaleb gave a short talk on the H club.

Dora Bailey led the assembly in school songs, and the meeting was closed by Frances McCarty and Joe Aiken who led a few yells. —H.H.S.—

### Freshman Initiation

One of the greatest events of the school year took place at the gym, Friday night, Oct. 7. This was the freshman initiation, which is held every year during the first six weeks of school. The purpose of this ceremony is to make the freshmen respectable members of Heppner high school.

Friday night about 7:15 the freshmen were marched down Main street from Gilliam & Bisbee's corner by the sophomores. They were then taken into the gym where they were made to entertain an audience. The boys were first separated from the girls, and they were all treated to airplane rides. They were then marched up to the front of the stage and fed cat-eyes, which by the way, was one of our most delicious fruits. The freshmen were quite mortified when asked to drink a toast to the sophomores. The toast was considered very good by the sophomores. It consisted of melted butter and cheese. After the freshmen sang a few songs for the

entertainment of the sophomores and the audience, everyone was treated to punch and cookies in the school basement. The junior class was the clean-up committee. —H.H.S.—

### Six Weeks

At this period of each six weeks such phrases as the following may be heard in the halls and rooms of the high school: "Have you studied your Civics?" "Six weeks tests this week!" or "I'll bet I flunk in that English exam!"

These sayings should not be necessary if the students would apply themselves. Students should not hold a great dread of these tests, because they are a benefit to the pupils. If a boy or girl fails in these exams, it is no one's fault but his own. Everyone should apply himself and his teachers. Also, by

applying themselves, the students can raise the standards of the school. —H.H.S.—

Students should study just as much during the whole year as they do just before six weeks exams. Let us all apply ourselves and raise the standards of our school throughout the whole school year. —H.H.S.—

### Girls' Sports

The girls in physical education are going to start baseball and basketball. Part of the girls will play baseball, and those who wish to play volleyball may. They will have interclass games and will choose their teams. —H.H.S.—

### Feature Story

Shortly before the students were dismissed to go to their classes Tuesday morning, Mr. Blankenship read to the assembly an interesting

article from the school paper of the Bainbridge high school, where Mr. Bloom is now superintendent. This article was of great interest to all as it stated that Heppner exported more wool than any other place in the United States. It also stated that Heppner high school had one of the strongest football teams in eastern Oregon this year.

Apparently Mr. Bloom has been doing some good advertising for Heppner in the Bainbridge district. The people of Heppner should be grateful to Mr. Bloom for his efforts in their behalf. In the eyes of the Bainbridge people, Heppner is quite a metropolis. The football team should also be grateful and redeem itself by trouncing Condon Friday, in what will be a very exciting game, as Condon will be fighting to avenge itself for last year's defeat.

## If your family gets "steamed up" with winter laundering...

...TELL THEM YOU NEED AN ALL-ELECTRIC HOME LAUNDRY!

Build your laundry from our free plans!

- Have you ever worked twice as hard on a winter wash day, forced to dry your clothes indoors—then had your family complain that evening about the steamy, unpleasant atmosphere of your home?
- When you have an all-electric home laundry, your house remains livable all the time. And your work is minimized for your electric washer, electric ironer and automatic electric water heater willingly take over all drudgery. Your pieces are cleaner and more attractive, too. They have not been subjected to destructive "wash wear".
- So plan your all-electric laundry now to meet your requirements and work toward the completion of your plan as you acquire equipment. To serve as a basis for your planning, Jeannette Cramer, well-known home service advisor, has designed 6 typical laundries that may be built inexpensively. These plans are free. Ask your nearest Pacific Power & Light Company office for your copy.

Buy laundry equipment now while prices are low!

ELECTRIC WASHER	ELECTRIC IRONER	ELECTRIC WATER HEATER
The first appliance you need in your all-electric home laundry is a modern electric washer. The new washers are kind to even the most delicate fabrics, yet so efficient that every trace of dirt is quickly flushed away. Sturdy construction insures years of service. New features and low prices make 1936 models real bargains. Take advantage of them. Select your new washer today.	The next appliance you should acquire for your laundry is an electric ironer, which takes the backache out of ironing. All you do is sit and feed your pieces through. The ironer exerts all the pressure—does all the lifting and pushing— <i>not you!</i> And your ironing time is cut in half. Prices on electric ironers are very reasonable—terms are designed for your convenience.	When you have an automatic electric water heater, you not only have abundant hot water for laundering, but also for every household use . . . day, night, winter, summer. It's as if you have an ever-flowing hot spring in your home. Plan to install your automatic electric water heater soon. Low heater costs and our low water-heating rate make automatic electric hot water service a convenience you can easily afford.

For electric washers, ironers and water heaters SEE ANY DEALER IN ELECTRICAL EQUIPMENT or PACIFIC POWER & LIGHT COMPANY Always at Your Service

## Everything.. that was promised has been fulfilled

THE NATION HAS BEEN LIFTED FROM BLEAK DESPAIR TO HAPPINESS AND PROSPERITY

- \* Property rights have been made secure.
- \* Foreclosures have ceased, while money has been made available by government loans at greatly reduced interest rates.
- \* Taxes (so much talked about), unpaid and in arrears, almost universally four years ago, are now almost entirely paid.
- \* There is NO idle labor in Oregon and wages have been materially increased.
- \* Prices of farm and dairy products are exceptionally good.
- \* Bank deposits are absolutely safe. Insured by the federal government.
- \* There are no mobs and no hunger marchers.

For these great and beneficent accomplishments, the President is entitled to your gratitude and support

Paid adv. by Morrow County Democratic Central Committee, D. M. Ward, Chairman
