Official Paper for Morrow County

A Rare Opportunity.

MORROW county has the heaviest membership in the Eastern Oregon Wheat League of any of the counties represented. A Morrow county man, E. Harvey Miller, is the league president.

When the league meets here again, our people should not only exercise themselves in playing the part of the good host, but they should take an active interest in the league meetings.

The Eastern Oregon Wheat League has an enviable record of accomplishment in the past. It has tackled its problems conscientiously, thoroughly and with exercise of foresight.

When the league meets here again, our people should not only exercise themselves in playing the part of the good host, but they should take an active interest in the league meetings.

Shall We Advance?

THIS is National Education week, a time that is set aside each year to promote public interest in education.

Minutes of the September term were read and approved. Claims against the county were presented, and the court allowed, continued, or disallowed them, and ordered approved claims paid by proper warrant from the proper funds.

The viewer's report on the Irrigation project road was discussed but no decision was reached. The following persons were appointed on the budget committee:

Wm. T. Campbell, Judge; Geo. N. Peck, Commissioner; Frank S. Parker, Commissioner; C. W. Barlow, County Clerk; S. E. Notson, District Attorney; C. J. D. Bauman, Sheriff.

Maintaining intellectual and cultural centers where emphasis is placed on idealism and the spiritual side of life and where better international relations are fostered. No state has two more wholesome major educational campuses than Oregon, the speaker declared.

Ten 2-Day Feeders Meets Set by Extension Staff

More profitable feeding practices for livestock producers will be the theme of a series of 10 two-day feeders and feed resources meetings scheduled by the Oregon State college extension service to start December 1 and continue through January.

Experimental work at the Eastern Oregon Livestock Experiment station as well as in western Oregon covering several years has emphasized the suitability of Oregon-grown grains and hay in finishing livestock. Wheat and barley have been found equally satisfactory as corn, while Oregon's hay, whether rich alfalfa or less valuable wild hay, can be used in rations to finish stock for market economically.

Wallowa county, December 1 and 2; Union county, December 3 and 4; Clackamas county, January 5 and 6; Marion county, January 7 and 8; Klamath county, January 12 and 13; Powell Butte, January 14 and 15; Arlington, January 19 and 20; Umatilla county, January 21 and 22; Malheur county, January 27 and 28; and Baker county, January 28 and 29.
