Auto Owners Urged To Register Early

Secretary of State Earl Snell is urging that all motor vehicle operators apply for their 1937 license plates as soon as possible. It is estimated that appoximately three hundred and fifty thousand motor vehicles will be licensed in Oregon during the coming year, and since a large percentage of these will apply about January 1st, applications received prior to that time will not only secure immediate service for the applicant but aid in reducing the peak registration load in the motor vehicle department.

As in previous years, the receipt of registration, properly flled out on the reverse side, together with the fee of \$5.00, comprise the complete application for re-registration of a private passenger car which has not been changed or altered in construction or classification during the year.

Mrs. Frank Alfred returned this week from La Grande where she assisted for two weeks with a WPA review, departing shortly for Portland where she will do similar work for a month. Mr. Alfred expected to join her for the holidays.
