### Oregon Gets National 4-H Championship

Corvallis.—A new national 4-H honor has come to Oregon with the selection of Rose Lena Anderegg of Clackamas as the national champion 4-H Holstein club girl for 1936, according to word received at the state club office.

Rose, who has now completed her seventh year in the dairy club project, has twice been named state champion 4-H Holstein club girl. During 1936 she owned seven purebred Holsteins on which she won numerous awards, including five first places. She has not confined her 4-H activities to dairy club work, however, but has been a member of pig, corn, gardening and sewing clubs and has taken part in judging, demonstration and health contests.

She has served as local leader of clubs in her community for the past three years, and is directing several groups this year.
