

# Safeway Founders' Sale

## Twenty-Two Years Ago

Mr. M. B. Skaggs opened his first store—small and unimpressive, but built upon an idea. Years of experience have demonstrated the truth of that principle: Better merchandise at lower prices by selling for cash and eliminating the costly waste of old-fashioned credit methods. On that foundation Safeway Stores have grown and the soundness of that idea remains unchallenged by depression or by "boom" years. We salute our founder whose solid principles have made Safeway Stores the west's leading grocer.
