### Did You Know That It's the Law—

In Winchester, Mass., a young girl may not be employed to dance on a tight-rope, except in church?

According to a Key West, Florida, ordinance, turtle racing may not be indulged in within the city limits.

A Berea, Kans., ordinance states that an animal on the street after dark shall prominently display a red tail light?

An ordinance in Omaha, Neb., forbids the use of the same finger bowl by different people at the same time?

In Boston, Mass., it is against the law to keep a dog more than ten inches in height?

Tekling a girl under the chin with a feather duster is contrary to law in Portland, Maine?

In Charleston, South Carolina, prisoners are compelled to pay \$1 for riding to jail in the patrol wagon?

An old Virginia law, still on the books, forbids a bathtub inside the house? Tubs must be kept in the yard.
