County AAA Groups Busy on Farm Goals

With all district conferences of county AAA officials scheduled to be completed by February 11, individual farm goals in the various counties will probably be established within two or three weeks, or in plenty of time for earliest spring the state office in Corvalls.

Changes in specifications, as well as the procedure to be followed in goals in the 18 commercial potato miston, Ore. counties, were discussed at the district meetings. Coos and Lincoln quire Phelps Funeral Home. counties, although they have com- PIANO MUST BE SOLD paratively small acreages of commercial potatoes, have been added to the previous list of 16 counties because of former census figures which technically brought them within the minimum production set.

Klamath has the largest county potato goal, with 1,884 acres, followed by Clackamas with 1,448. Washington, Deschutes, Malheur, Marion and D. Bothwell, city. Multnomah are above the 2000 mark. The purpose in establishing these maximum voluntary goals is to discourage over-planting and resultant excessive surpluses of potatoes from one year to another. Individual farm potato goals will not be set when less than three acres are customarily
