# Savings in Service ARE YOURS Because Of

- Complete Equipment
- Factory Trained Men
- Genuine "Caterpillar" Parts
- "Caterpillar" Special Tools
- Long "Caterpillar" Experience

Seldom do owners of "Caterpillar"-built tractors need the service of a machine shop. But when they do, they want their jobs done "right now."

That's why we've equipped our shops with every tool, every machine, that will speed up your work. All are manned by an expert in his line. That's the reason why rebuilt tractors from our stores are the best rebuilt machines on the market today. You can't beat the combination of trained mechanics, modern shop equipment and genuine "Caterpillar" parts.

Long experience and complete knowledge of "Caterpillar" tractors of all models eliminates expensive guess work when the Braden-Bell shops are called upon to make your repairs.
