Rod Thomson Saves Tot from Drowning

Little 2-year-old Claudie Pemington had a narrow escape from death by drowning Monday morning. While at play on the banks of Willow creek at the Gale street bridge, she fell into the murky waters. Cries of playmates attracted Rod Thomson and Billy Cox at the Union Oil company plant, and others from close at hand, and Thomson went waist deep into the water to her rescue after the child's mother had made a futile attempt to reach her.

First aid was given and the child was rushed to the Morrow General hospital near-by, where Dr. L. D. Tibbles was present and gave further treatment. Considerable artificial respiration was necessary to revive her. She is reported to be making good progress toward complete recovery.

Claudie is the daughter of Mr. and Mrs. Tim Pemington. The family, originally from Kentucky, arrived here recently and have been residing in a trailer house near the scene of the accident.

FFA Speaking Finals Coming Next Tuesday

Next Tuesday Jack Healy, the winner of this district, will compete against five others in the finals of the state for the Future Farmers public speaking contest. The title of Jack's speech is "Over-Grazing on Western Ranges." At 9 a. m. of this date the six district winners will speak on their selected topics at the Imperial hotel in Portland; later the same day the three best speakers of these six will compete before the Rotary club at the Benson hotel for the state final. The winner will represent Oregon in the regional contest (11 western states) at Estes Park, Colo., on May 30. More than 900 Future Farmers participated in the elimination public speaking contests among the 48 chapters over the state.

The entrees are allowed to speak on their topics for seven and one half minutes; then they are questioned by the judges for four minutes. They are graded 40% on the answering of these questions, 20% on content of speech, and 40% on delivery of speech.

Teachers Attend Big Educational Meet

Spokane was the mecca for most of Morrow county's teachers last week when they attended sessions of Inland Empire Education association in lieu of the annual spring institute, last Wednesday, Thursday and Friday.

Alden Blankenship, local superintendent, reports the meeting one of the outstanding of its kind it has ever been his privilege to attend. Outstanding messages were given by Dr. Ruth Alexander, economist, writer and lecturer of Chicago; Dr. Edward C. Lindeman, professor of social philosophy, New York School of Social Work, New York; Dr. Grayson N. Kefauver, dean school of education, Stanford university, and Dr. George S. Counts, professor of education, Teachers College, Columbia University, New York. Leading educators of the northwest led the many sectional groups which discussed individual teaching problems. Several luncheons, banquets and other entertainment events added to the enjoyability of the meet.

RECALLS FOREST OPERATION

When C. A. Minor, esteemed Morrow county pioneer now of Mt. Vernon, dropped into the Gazette Times office Monday afternoon, the presence of F. F. Wehmeyer, local forest ranger, was inspiration for some reflections upon his old-time operations in the Morrow county forests. Mr. Minor recalled that at one time he and his brother, the late Oscar Minor, operated 37,000 acres of deeded land and 100,000 acres of allotted land within the local district. He believed the allotted land was the

largest amount of such land ever controlled by one operator. Headquarters were made at the old Hamilton ranch where a large amount of hay was produced, and fences kept in good repair. "Riding out corners" was a necessary part of Mr. Minor's operation, some of the hardest to locate of which he described to Mr. Wehmeyer. A few corners, those township corner markers placed by surveyors, he never did find, but the majority he did locate, and his description of locations was proof of his familiarity with the larger part of the local district. His granddaughter, Miss Louise Minor, accompanied him and they left for Mt. Vernon Monday afternoon.

Hunters and Anglers To Meet Monday

Mark Merrill, president, has issued a call for the annual meeting of Morrow County Hunters and Anglers club to be held at the Elks hall next Monday evening, the 18th, at 7:30 o'clock.

Many important matters of interest to everyone who has any interest in wild life will be discussed, and an invitation is extended to everyone whether a member of the club or not. Mr. Merrill emphasized that the club is interested at all times in promoting out-door life in accordance with the general welfare.

Mr. and Mrs. Otheo Conover and Mr. and Mrs. Forrest Conover and two children from Waitsburg, Wash., were Sunday visitors with relatives and friends here.
