During that time, typical classes were held in miniature. After that, half an hour was allowed the visitors to inspect the various rooms. The program in the auditorium was an interesting and rather long one. Before the close of the program, the drawing for the junior set of china was held, Mrs. Louis Marquardt being the winner.

**Local School Team Wins From Condon**

Garnering four runs in the sixth inning and another in the last and seventh frame, after making one counter in the fifth inning, the Heppner high school baseball team gained a 6 to 5 win over the Condon school squad here last Friday afternoon.

Trailing 5 to 1 in the sixth inning, Doug Drake, Heppner pinch-hitter, clouted a timely home run into deep left field, sending two runners home ahead of him. Two more runs by

Coxen and Williams on Condon errors put Heppner in the lead.

Worden and Drake, Heppner pitchers, held Condon batters to four hits. Drake relieved Worden in the seventh after the latter had fanned nine Blue Devils before giving up several hits.

Losing their first game to Arlington, Heppner will take on Hermiston tomorrow at the Bulldog field in an attempt to put a second game in the win column.

Lawrence Redding was a visitor in town Monday from the Eight Mile farm.
