Applications Open for Naval, Army Schools

Congressman Walter M. Pierce, representing the Second District in Washington, has been notified that there will be one vacancy for the district at Annapolis, beginning July 1, 1939, and two at West Point. Civil Service examination preliminary to selection of the candidates will be held on October 8, 1938, in various post offices throughout the district. Applicants should immediately secure information from Congressman Pierce at La Grande.

West Point cadets must be qualified young men, in fine physical condition, between 17 and 22 years of age, and not less than 5 ft. 4 in. in height. Annapolis candidates must be between 16 and 20 years of age.

Young men entering these schools receive payment from the date of entrance and are thus enabled to earn an excellent college education, meeting all expenses, and also accumulating some savings. Applications for entrance to the Civil Service examinations should be made immediately. This is an unusual educational opportunity. The second district has a fine record in both these schools, with many honor students and graduates.
