Students' Opinion of Football Boys Wearing Whiskers

Omer McCaleb—Doesn't affect me any.
 Betty Robinson—I don't know anything about it.
 Bethal Blake—For some girls it's not so good, but for me, I think it is fine.
 Jean Hays—I think it's pretty good; it might make them win a game.
 Ruth Green—Nice work if they can do it.
 Milt Morgan—Somebody is crazy.
 Mr. Blankenship—May be embarrassing unless they play good football.
 Mr. Peavy—All right, if they are men enough.
 Art McAtee—Tough on somebody's cheeks.
 Alvina Casebeer—Looks kinda sappy.

F.F.A. Chapter Presents Many Opportunities

The coming Pacific International Livestock exposition at Portland is a great encouragement to the boys belonging to the Future Farmers of America, Heppner chapter, because five of them are going to participate there with transportation paid.
 Three of the five chosen boys will represent Heppner in the cattle judging contest to be held at the exposition. The other two boys will be alternates for the chosen team.
 There will be other contests throughout the year, in which the chapter intends to participate. First among these is the sectional contest to be held at Arlington, which offers contests in shopwork, public speaking, and parliamentary procedure. This is a form of elimination contest in preparation for the second, the state F.F.A. convention at Corvallis. The winners in the higher types of contests at this convention are privileged to go on to district and national contests. The third main contest for this chapter will probably be the livestock show at Union, where animals from far and near will be judged and sold.
 The Heppner chapter is off to a good start, with two previous years of experience, and is expected to be among the best chapters in the state.

First Social Hour Success

Friday evening after the freshman initiation the students all went to the basement of the school house where they were given refreshments provided by the senior class. The freshmen were given refreshments first to celebrate their actual membership in Heppner high school. Following refreshments, the students gathered in the new social hall to dance. Music was furnished by the sound machine.

Seniors Elect Officers

The senior class held their first class meeting, Wednesday, Sept. 14. At this meeting the following officers were elected for the coming term: President, Howard Patton; vice-president, Art McAtee; secretary-treasurer, Sibyl Howell; sergeant-at-arms, Dick Bogoger.

GAS HOUSE GOSSIP

This week gives us a bit of a new angle upon the on-coming football season and the prospective teams to vie in the struggles. Schools to start their seasons were the following: Hermiston, losing 31 to 0 night game with Pasco; Arlington, playing The Dalles B team to a scoreless game; The Dalles A squad, losing to Astoria 26 to 0; Mac-Hi, meeting defeat at the hands of Wa-Hi by a score of 12 to 6; Union, using 20 men, their entire squad, to defeat Halfway by a score of 31 to 13; and Baker, subduing Grant Union 24 to 9.

In the six-man league Lexington lost to Pilot Rock by a score of 10 to 7. Helix won, 8 to 7, from Touchet, upon the latter's home field under a blazing sun. The heat was so intense that one of the boys was overcome in the initial quarter and did not revive until after the half.

Upon the 23d of September Heppner will play host to Fossil upon the local athletic field located at the Rodeo grounds.

The local boys staged their practice game last Friday, the winning team having the honor of breaking their vow not to shave until a game was won, the "losers to wear their"—until a scheduled game is won. If Fossil is not beaten, some boys are going to look awfully seedy for a few weeks, as the game was scoreless.

The team is somewhat lighter this year than last due to the fact that the left side of the line graduated, taking with them La Verne Van Marter, whose shoes are hard to fill. Our hope lies in fifteen experienced and aggressive men who are out to do their best.

The squad weighs in as follows: Barratt 147, Drake 168, McAtee 170, Applegate 180, Armstrong 154, Aiken 135, Crawford 138, Coxen 157, Hayes 174, Morgan 130, Merrill 135, Snow 150, Vance 148, Bogoger 140, Fay 165, Dick 165, Patton 165, Osborne 146, Tamblin 124, Gilman 140, Bennett 120, Pettyjohn 164, Frederickson 145. This gives an average of 160 pounds for the line and 150 pounds for the backfield. A possible line-up would be Drake, Vance, ends; McAtee, Applegate, tackles; Armstrong, Patton, guards; Crawford, center; Gilman, Coxen, Hayes and Morgan, backs.

Yours truly predicts a hard and fast game of heads-up football, combined with plenty of fight and wonder-what's-coming-next. The score: 18 to 0 in favor of old alma mater.

Here and Yon

La Verne Van Marter has really made up his mind to go to Oregon. He had two offers for scholarships—one to Willamette and the other to Pacific. He plans to take up the art of directing physical education.

Another school to adopt the athletic insurance is Mac-Hi, announced Supt. James Burgess. The insurance is to cover general athletic injuries. Such steps would be of great benefit here at Heppner. Although we have been lucky in the sense that there have been no serious injuries for the past two or three years, this year might be an exception.

The Umatilla six-man league is holding a football carnival at Athena Sept. 23. Four teams will enter to draw for places and period of play. The plan is to have six periods, with the teams alternated in such a manner that a different team plays each period. The teams to enter are Athena, Helix, Adams, and Pilot Rock.

Rumor has it that WSC has replaced the confusing double shift with a new and more confusing shift called "hop-a-diddy" or "Susy Q." It sounded funny when Stanford football men did ballet dancing, but now???

Pete Hodgen, formerly of Adams, has transferred to Pendleton and is proving that he can carry the ball just as well in 11-man football as he could in six-man.

Freshman Initiated Friday

Last Friday night the freshmen were duly initiated into the student body and have now taken on the studious look of regular high school students. There will be no more green ribbons, bowing to the upper classmen, or any of the other annoying little inconveniences enforced by the sophomores.

The freshmen appeared to be greatly relieved when the Friday activities were ended by their oath of loyalty to Heppner high school.

5 Years Ago This Week

First game of the season comes Friday with Condon's Blue Devils, the play being on Heppners' home field.

5 Years Ago hTis Wek

Those enrolling for post graduate courses in high school this year are Phyllis Pollock, Viola Brown, Winifred Case and Beulah Eskelson.

Monday evening after school the "H" club held its first meeting of the year for the purpose of electing officers.

Girls' League Holds Meeting

The Girls' League held their first meeting of the school year Thursday, Sept. 15. The main purpose of the meeting was to elect officers for the coming year. Those elected were: President, Bethal Blake; vice-president, Norma Prock; secretary, Patricia Dooley; treasurer, Margaret Doolittle; reporter, Betty Jean Robinson.

A program for the coming year was also discussed. A dance is being planned similar to the last year's Barn Yard Brawl, which proved to be a great success. The girls this year plan to make the club more worthy of Heppner high and the girls themselves.

Humor

Papa: "Why did you permit Bob to kiss you in the parlor last night?"
 Bethal: "Because I was afraid he'd catch cold in the hall."

Have You Noticed—

Andy Davidson's haircut?
 How Bob Applegate loves to dance lady's choice?
 Margaret Doolittle's doubt as to whom she likes the best—the transferred tackle from Baker or the transferred end from Portland. Maybe you should toss a coin, Margaret!

Andy Davidson: "What's an echo?"
 Mr. Blankenship: "An echo is the only thing that can deprive a woman of the last word."

Bob Scrivner: "I can read my girl friend like a book."
 Dick Bogoger: "Then be careful to stick to your own library."

Eighth Grade News

This year there are twenty-six pupils in the eighth grade, with three transfers. They are Albert Schunk of Ione, Marjorie Cantwell of John Day, and Ola Hiatt of Pendleton.

The eighth grade elected its officers recently as follows: President, Kingsley Chapin; vice-president, Claude Drake; secretary, Claudine Drake; treasurer, Dorothea Wilson; Reporter, Jimmie Barratt; Patrolman, Philip Cohn.

The grade school is to publish a mimeographed newspaper for this year in connection with the English taught by Miss Forsythe. The eighth grade staff is as follows: Editor, Philip Cohn; assistant editor, James Kenny; boys' sports editor, Jimmy Barratt; boys' sports reporters, Billy Bucknum and Glen Fell; girls' sports editor, Dorothea Wilson; girls' sports reporters, Helen Knowles and Colleen Kilkenny; personals, Nita Rae Bleakman and Dick Edmondson; features, Claude Drake and Wade Bothwell; clubs, Leon McClintick, Wilma Beamer and Claudine Drake; cartoons, Lyle Cox and Alton Christenson.

Hither and Thither

Bob Applegate might explain his action Saturday night. If he can't, maybe Margaret D. can.

There seemed to be plenty of sparks flying around in Emery's car Friday night.

Can you imagine our school secretary being worried over a missing letter?

Bill Blake's father isn't complaining about Billy using the car, because he doesn't burn any gas. How about giving us the formula, Bill?

Band Enjoys Busy Season

By the latter part of this week, the Heppner school band will temporarily close one of the busiest seasons it has ever enjoyed. It made its first appearance of the summer by participation in the annual Rodeo. This was later followed by an invitation from the Oregon Legionnaires to play for their convention at Pendleton and put on an exhibition at their drum and bugle corps contest. This showing was so satisfactory that a group of Pendleton business men

made provisions for the band to play on the streets during the last day of the Pendleton Round-Up.

Following participation in the Grant County fair this Saturday and Sunday, the band will officially close a very successful summer season.

The group now plans to organize under a new system. This system will consist of a president, vice-president and other proper officials.

Juniors Have Loud Sock Day

The annual Junior Loud Sock day was held Thursday of last week. Loud Sock day has been a matter of tradition for the juniors for several years in Heppner. At this time juniors are required to wear loud and conspicuous socks of some sort. Those failing to abide by this rule are required to present a ten-minute play before the student body. This year's juniors breaking that rule were Clifford Fay, Dorothy Howell, Don Jones, Jack Merrill, Harold Armstrong and Bob Applegate.

Did You Know That—

Frozen foods were used in colonial times? American colonists baked 100 pies at a time, froze them, and stored them in large jars. When a pie was wanted, it was thawed out in a pie cupboard in the chimney.

Natives of Borneo use red ants for seasoning?

Wheat sold for \$2,500 a bushel during the Egyptian depression of 333 A. D.?

You can flavor your glass of water as you sip it with a straw invented by a Burbank, Cal., man? A strip of cotton lint, containing chemicals, is inserted into the straw to simulate the taste of your favorite soft drink.

A California woman sued for a divorce because her husband wouldn't let her eat toast? "The crunching got him," explained the woman.

Albanian brides effect special wedding complexions by smoothing their faces with a preparation of lemon juice and sugar, applied boiling hot?

Harold Alfred and oDn Wadey of Uncle Sam's navy, stationed at Keport, aWsh., torpedo base, were week end guests of Mr. Alfred's brother, Frank C. Alfred, taking in the Round-Up and Happy Canyon with him.
