# DON'T RETURN MILLIONS TO BOOTLEGGERS!

(now going to our aged and poor)

Under the ridiculous pretense that it wants to help the State Liquor Commission gain more control over "liquor", the Anti-Liquor League has initiated

**A STATE-WIDE "PROHI BILL"**  
to destroy Oregon's Liquor Control and State Relief Systems

Professional Prohi agitators and uninformed amateurs are saying that this fantastic measure is merely to prohibit sales of beer and wine in retail stores, taverns, etc.

**Actually it CLOSES State Liquor Stores!**

By cunning indirections, trick phrases and REPEAL of all good laws "in conflict" with its own bill, the Anti-Liquor League measure prohibits State stores from operating in practically every city, and subjects both the STATE COMMISSION and PRIVATE CITIZENS to outrageous oppressions and damage suits for offenses committed by others.

**\$1,000 DAILY FOR PROHI PROPAGANDA!**  
is specifically set aside for employment of Prohi experts, propaganda, etc., at State expense in this vicious bill—but ABSOLUTELY no provision is made to replace MILLIONS now going for old age assistance, relief, etc., which the proposed law would turn back to BOOTLEGGERS.

# VOTE 323 X NO

**DEFEAT IT!**
