He was accompanied by Harold Hill, Lee Howell and Tom Wells, all members of the Hepner lodge. Between 65 and 70 persons enjoyed the delicious dinner in the supper room, after which they went back to the lodge room and played cards. In all the evening was a most enjoyable one.

The Let's Talk club and Community Sings met Wednesday evening at the regular hour. Both meetings were good in spite of the fact that the Let's Talk meeting was short and sweet. Several musical numbers were given, a recitation by Vonnie Adams, a harmonica number by Ollie Hastings and Nona Inskeep, accompanied by Mrs. McCutcheon, and there was also a very good number by Marvin Saddler and Tommy Graham which we think was intended to be "Mary Had a Little Lamb."

**Mrs. Morse Resigns As Extension Specialist**

Oregon State College—Mrs. Maud Mueller Morse, extension specialist in child development and parent education, who has become known throughout the state for her work in developing parent education clubs for both men and women, has resigned from her position. She will marry Senator Dean Walker of Independence some time during the next month.

Mrs. Morse holds both bachelor's and master's degrees from Oregon State college. Her work as an extension specialist during the past three years has earned the high praise of Mrs. Azalea Sager, state leader of home economics extension, and of F. L. Ballard, vice-director of extension at OSC.

Believing that fathers as well as mothers have a vital interest in the problems of child rearing, Mrs. Morse prepared her programs with a view to bringing out this interest, and as a result the attendance of men at such meetings jumped from 9 to 45 per cent under her leadership. Her work with the new series of study clubs organized this fall will be carried on until her successor is appointed by Mrs. Sara Prentiss, head of the household administration department; Dr. O. R. Chambers, professor of psychology, and Mrs. Buena Maris, instructor in family relationships.

**Oregon to Send Winning Youths To Poultry Show**

At least a dozen Oregon boys and girls, making up five different judging and demonstration teams, will be granted expense-free trips to compete at the World Poultry Congress at Cleveland, Ohio, next July, according to arrangements made by the Oregon World Poultry Congress committee.

Three 4-H clubs and two Future Farmers of America teams have been authorized by the state committee to represent Oregon officially in the youth section of the show from July 28 to August 7. The 4-H clubbers will have a poultry judging team of three members, a demonstration team on the production phase and a demonstration team on the consumption phase of two members each, according to H. C. Stymour, state 4-H club leader and the west's representative on the national youth committee.

The Future Farmers will be represented by a three-man judging team and a two-man production demonstration team, Earl Cooley, state director of vocational agriculture and chairman of the state youth committee, has announced.

Elimination contests among the 4-H clubbers will be held in every county, with the county winners competing during the annual 4-H summer school here next June for the Cleveland trip, Seymour says. A similar plan for selection of the two F.F.A. teams will be carried out. The state congress committee has guaranteed half of the expenses for

the youngsters, with their local communities or counties expecting to raise the remainder of the necessary funds.

Several communities and service clubs have expressed interest in sending one outstanding boy or girl or more to the congress in recognition of their accomplishment. State committeemen are encouraging this as a means of enabling more deserving youths to join the Oregon delegation and have the opportunity

of seeing the greatest poultry show ever held in the world.

The Oregon youth delegation to the congress may also play an important part in the state's poultry exhibit, if tentative plans go through. The boys and girls may assist with distribution of advertising matter and other minor duties in the big exposition hall.
