Registration Stays High at OSC

Oregon State College—Winter term registration at Oregon State college maintained about the same percentage of increase over a year ago as shown in the fall term. At the end of the first week there were between 7 and 8 per cent more students than were enrolled at the corresponding time a year ago, indicating a final registration for the term of around 4350, or just slightly under the record enrollment of last fall. More than 100 students have enrolled this term for the first time.

Gasoline sales in Oregon during September totaled 21,402,452 gallons, keeping the 1938 total above the preceding year although the month's sales showed a slight drop, according to Secretary of State Earl Snell. Total tax paid since January 1 had been \$8,595,583.

Honor Roll Has 16 On Straight A List

Oregon State College—Sixteen students, all from Oregon high schools, made the straight A grade list during the fall term, and 218 more made averages of 3.50 or better out of a possible 4, which is equivalent to a straight A, while carrying at least 12 hours of credit, according to the honor roll just released by E. B. Lemon, registrar.

The number on the honor roll amounted to about 5½ per cent of the entire student body, many of whom, however, took fewer than 12 credit hours. Only three freshmen out of approximately 1500 made perfect marks. Juniors topped the classes with six. The list of straight A students follows:

Owen Putnam Cramer, Adele Knerr, Margaret Louise West, Wilna Lee Ireland and June Pollard, all of Portland; Lester Clayton Dunn, Earl Haven Tyron and Edmond Clair Calavan, all of Corvallis; Jeanne Hartman and Helen Loe Elle, Dallas; Earle William Dudley and Kenneth Michael Caisse, Salem; James E. Price, Forest Grove; Frances Louise French, Prairie City; Jean Marie Maunula, Astoria; and Jack W. Peterson, Ashland.
