SEE how many public benefits brewing has helped create in only five years! How can the brewing industry preserve these benefits for the people and itself?

The answer, brewers realize, lies in with the distribution of their mild, wholesome beverage through responsible retail outlets. Obviously, the brewers can enforce no laws. But they can

—and will—cooperate with all law enforcement authorities to the end that retail beer outlets give no offense to anyone.

May we send you a booklet giving interesting facts about beer, and discussing the brewers' self-regulatory program? Address: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.
