GAS HOUSE GOSSIP

By JOE AIKEN

This year any team going to the district tournament will be allowed nine players, which will allow four substitutes to the team.

The league competition has ended with Heppner as the undisputed victor. It is my opinion that the league organized in the manner it was this year eventually will do away with the sub-district tournament.

of the expense of the teams entered in the sub-district tournament. Too, the elimination of the sub-district tournament should promote more interest in inter-school activities.

The Student Council will decide whether or not this school shall indulge in the grand old American sport, namely, baseball. Baseball had a tendency to die out a few years ago when there was not an active team.

The spring sport which is becoming more popular all the time is tennis. This year will see a regularly organized schedule. Tennis

should be of some interest to the townspeople and students, as it is a comparatively new sport in this school. Last year Heppner had its first tennis team.

In regard to the basketball game held at Hermiston between Heppner and Umatilla for the league championship, Heppner emerged victorious, 19 to 18, and is the proud possessor of two new trophies.

In the game itself, the scoring was fairly even during the first quarter, but Heppner pushed ahead to a 12-7 lead at the end of the first half.

their stride and began to sink baskets from all sides of the court. It was 45 seconds to go with Umatilla one point behind Heppner and the ball in Umatilla's territory.

Gerald Keller, the high point man for Hermiston last year, is playing first string basketball for the Pacific university Badgers where he is also high point man.

Teddy Wilson of Boardman, who plays this year for EON, is thinking of transferring to O. S. C. Jones of Athena has been offered a scholarship to Washington State.

LaVerne Van Marter is now playing Frosh basketball at the U. of O.
