say. They were accompanied by Mrs. Amy C. Sperry.

Mr. and Mrs. Huston Bryson arrived home Monday evening from a trip which took them to Grand Coulee dam. With them were their friends, Mr. and Mrs. Carl Henderson, who left Tuesday.

Bang's Indemnities To Change on May 1

Salem, April 12—With full federal Bang's disease indemnity payments to Oregon cattle owners scheduled to be discontinued on May 1, the state department of agriculture advises immediate action if the benefits are to be received.

Under a government ruling, the cattle must be tested and slaughtered before the deadline if the full benefits are to be received. After May 1, the federal government will only pay such indemnities as are equal to the sum of the state and county indemnities. In many instances this will not be equal to the present indemnity payments.

Poppy Day Observance Set by Local Unit

Poppy Day will be observed throughout the United States on Saturday, May 27, with the wearing of memorial poppies in honor of the World War dead, Mrs. Lena Cox, president of Heppner unit, American Legion Auxiliary, announced today. The observance will be led by auxiliary women who will distribute poppies on the streets during the day.

More than eleven million of the little red memorial flowers have been made by disabled World War veterans working in government hospitals and in poppy workrooms maintained by the auxiliary, said Mrs. Cox. These flowers are crepe paper replicas of the poppies which grew on the World War battlefields and among which the dead and wounded fell. They are recognized throughout the English-speaking world as the memorial flower for those who fell in defense of democracy.

Plans for the local observance of

Poppy Day are being completed by Heppner unit under the leadership of May Gilliam, poppy chairman, aided by a large committee. Volunteer workers from the unit will offer poppies on the streets all day and will receive contributions for the legion and auxiliary welfare and relief work among the disabled veterans and dependent families of veterans.

Stallion Enrollment Scheduled for April

Enrollment of stallions and jacks on the license lists of the state department of agriculture will be made during April, says Dr. W. H. Lytle, the department's animal industry chief.

State law requires the licensing of all pure bred animals used for public service every three years up to the age of ten years, Dr. Lytle explains. Licenses which have expired are now due for renewal.

The registered Palomino breed of light saddle horses will be licensed for the first time this year.

Who knows most about Building cars?

Ford has built more than one-third of all the automobiles ever built in the world

THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be.

FORD V-8

APRIL IS FORD INVITATION MONTH! Your Ford dealer invites you to drive America's most modern low-priced car. Make a date for a new experience.

Look at these FORD FEATURES

- STYLE LEADERSHIP—The luxury car in the low-price field.
V-TYPE 8-CYLINDER ENGINE—Eight cylinders give smoothness. Small cylinders give economy.
HYDRAULIC BRAKES—Easy-acting—quick, straight stops.
TRIPLE-CUSHIONED COMFORT—New flexible roll-edge seat cushions, soft transverse springs, double-acting hydraulic shock absorbers.
STABILIZED CHASSIS—No front-end bobbing or dipping. Level starts, level stops, level ride.
SCIENTIFIC SOUNDPROOFING—Noises hushed for quiet ride.
LOW PRICES—Advertised prices include many items of desirable equipment.
