Jobless Checks For March, \$8566

Salem, April 11—Benefit checks issued by the state unemployment compensation commission during March totaled \$625,181, the monthly report disclosed. This was a 20 per cent increase over the previous month.

Cumulative distribution of job insurance during the first quarter of 1939 totaled \$1,651,716 and since benefit payments started 15 months ago, the commission has paid out nearly \$7,700,000.

Pendleton, covering Morrow and Umatilla counties, accounted for \$8566, or 1.4 per cent of the state total during March, according to the commission's statistical department.
