

SOFT BALL LEAGUE STARTS MONDAY; SQUADS AND SCHEDULE GIVEN

Fifty-three townsmen are set to compete for the softball honors in Heppner. Making up four teams, they will compete in a tournament, opening Monday, along with two CCC teams, over a period ending May 26. Each of the six teams will play each other team once, with games on Monday, Wednesday and Friday of each week.

Leading the town teams as captains are Logie Richardson, Mark Merrill, Hubert Gaily and Russell McNeill. Those playing under each captain have already been named, but there is still time for any male citizen to enlist. It has been agreed between the captains that new enlistments will be added to squads in consecutive order so that no squad will have a chance to enlist "ringers."

Richard and Gaily squads will meet in the opening fray next Monday. Each player will be assessed 25 cents to help defray cost of equipment.

Town squads named are as follows:

McNeill—E. T. Walker, C. Bauman, J. B. Coxen, F. W. Turner, Frank Alfred, Martin B. Clark, Norton Lundell, M. E. Cummings, Carl Felker, Walter Depuy, L. L. Gil-

Raymond Dolven Weds Miss Sharkey

Mrs. C. S. Wheeler of Pendleton, in town Tuesday with Mr. Wheeler and her mother, Mrs. B. F. Swaggart, announced the marriage of Miss Gloria Maude Sharkey, daughter of Mr. and Mrs. Wheeler, to Raymond Milton Dolven of this city at the family home in Pendleton at 8:30 Sunday morning. Rev. F. C. Wissenbach, rector of the Church of the Holy Redeemer, read the ceremony before a mantle banked with greenery and spring flowers.

Mr. Wheeler gave his daughter in marriage. The bride was attractively gown in ensemble of navy sheer with top of daffodil yellow chiffon, and corsage of yellow Pernet rosebuds and lilies of the valley.

Wedding breakfast for 12 was served at Pendleton hotel, and immediately following the young couple left for San Francisco to attend the world's fair on their wedding trip. A visit at the Wheeler summer home at Cannon Beach was also planned before returning to Morrow county to make their home on the Swaggart farm north of Lexington, which they will manage.

Mrs. Dolven is a graduate of University of Oregon and has been prominent in club work at Pendleton. Mr. Dolven has been managing the Swaggart ranch for three years.

Hynd Bunk House Burns; City Responds

Fire of undetermined origin razed the bunk house on the Hynd brothers Sand Hollow farm just at noon last Friday. The main house, but 40 or 50 feet distant, was seriously threatened for a time and would surely have been consumed had it not been for the gallant work of the hired men, said David Hynd, secretary of the company, when in town Saturday. Several starts on the house roof were extinguished thru formation of a bucket brigade. The loss was insured.

In answer to an emergency call trucks of CCC boys and the chemical equipment of the Heppner fire department arrived on the scene, but were too late to be of much assistance. Had the main house started to burn, however, this assistance would have been in time to be of considerable help, Mr. Hynd believed. J. O. Rasmus, watermaster, accompanied the city chemical equipment to the scene of the fire.

Relatives of prisoners in the state penitentiary are advised by the parole board against the employment of attorneys to represent the prisoners in their plea for liberation. The parole board refuses to listen to attorneys, according to Cecil Edwards, secretary to Governor Sprague.

Let's Send Band to National Contest, Says Judge Johnson

No more ardent supporter of the Heppner school band may be found, with possible exception of a host of proud parents, than Judge Bert Johnson.

"Since I went to Eugene with the band last year, I guess I have become a bit rabid on the subject," said Judge Johnson. "But I want the world to know that I think the band will win the regional contest at Portland, and I want to see them go to the national contest, wherever it may be."

"If they keep working like they have been, those kids are good enough to hold their own any place," the judge avowed.

The judge didn't believe there would be much difficulty financing the band's trip to Portland. "That part will be easy," he said. "But we should start right now making plans for Chicago, or wherever the national contest is to be."

Judge Johnson's sentiment is typical of that heard on every hand since the band got its superior rating at the eastern Oregon meet at La Grande last week end.

CARD OF THANKS

We wish to extend our sincere thanks to the CCC boys and officers, to the Heppner fire department, to the citizens of Heppner for their response; and especially to thank and commend our employees for their heroic effort, in fighting the fire at our place last Friday.

ATTENDING STATE MEET

A group of local Christian Endeavor members left this morning for Salem, taken in the car of F. W. Turner, to attend the state convention of Christian Endeavor this week end. Included were Misses Kathryn Parker, Marie Barlow, Lois Jones and Margaret Doolittle, and Billy McCaleb. They expected to return home Sunday evening.

ECLIPSE SEEN HERE

Morrow county people who were abroad at 7:30 yesterday morning observed a fading out of the sun as a 70 percent eclipse took place. Some of those who were aware of the eclipse looked at the sun through darkened glasses and observed the bite taken out of Old Sol as the moon passed partially between it and the earth.

The Baker Record-Courier suggests editorially that one of the chief mechanical defects contributing to automobile accidents is that the nut at the wheel gets too tight.

Growers May Enter National Contest

Wheat farmers of Morrow county have a chance to gain nationwide recognition in an acreage compliance contest sponsored by the Eastern Oregon Wheat league, according to information received by E. H. Miller, chairman of the Morrow county conservation committee.

The contest provides that counties having the best record of compliance with their 1939 wheat acreage allotments will receive distinctive awards, and in addition a representative of the winning county will receive a free trip to the wheat league's 1939 convention at Condon in December.

The winning county's record will be recognized through award of a glass globe filled with select Oregon wheat, mounted on a base of Oregon myrtle wood. The globe is symbolic of the nation's full ever-normal granary.

In addition, the winning county of each state will be awarded a plaque made from select Oregon juniper wood and inscribed with the county's compliance record.

than 10,000 acres, have been invited to participate. The contest closes August 15.

Each county's record will be judged two-thirds upon the percentage of its wheat acreage allotment that complies with the program, and one-third upon the percentage of farms having wheat allotments that stay within their acreage. Compliance will be based upon farms qualifying for parity payments in 1939.

The 1939 wheat acreage allotment for Morrow county, an important factor in its participation in the contest, is 93,216 acres.
