**Garlic-Parsley an Aid in HIGH BLOOD PRESSURE**

Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALLIMIN. These tablets, used at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. ALLIMIN is for sale by all druggists. Large box, 50c. Special economy size, \$1.00.

**Poppies Give Jobs To Disabled Veterans**

Profitable employment for hundreds of disabled war veterans has been provided by the memorial poppies which will be worn on Poppy Day, Saturday, May 27, in tribute to the World War dead, explained Mrs. May Gilliam, poppy chairman of Heppner unit of the American Legion auxiliary, as the auxiliary women prepared for the annual observance of Poppy Day here.

Poppies have been made this year at seventy-eight government hospitals and auxiliary workrooms in fifty-one states, where disabled veterans unable to do other work have been given employment during the winter and spring months. The work has been restricted largely to veterans receiving little or no government compensation and to those with dependent families. The bulk of the money earned has gone to the support of families left in need when the veteran father became disabled.

The poppies which will be distributed here on Poppy Day have been made at Veterans' Hospital 77 in Portland where disabled veterans have been engaged in shaping the little red memorial flowers under the direction of the Oregon department of the auxiliary. Materials have been supplied by the auxiliary and the workers paid at regular intervals from auxiliary funds. Poppy earnings have been a great boon to many veterans' families in Oregon during past months.

The disabled veterans are the only paid workers in the auxiliary's poppy program. The women who dis-

tribute the flowers serve as unpaid volunteers and all contributions they receive go to the rehabilitation and welfare work of the American Legion and auxiliary.

**Joe Green Initiated into Honor Society**

Joe Green, Heppner '35, was last week initiated into Tau Delta Chi, local business professional honorary. A senior in the school of business administration, Green, along with nine other students outstanding in the subjects of merchandising, banking, and accounting, was feted with a banquet following the initiation service.

Green, whose term as president of Sigma hall, men's dormitory, and vice-president of the inter-dorm council, ended recently with initiation of new officers, is the son of Mr. and Mrs. Alex Green, 204 W. Water street.

Women's Foreign Missionary society of the Methodist church will

meet on Tuesday, May 9, at the home of Mrs. Glenn Jones. Members will please meet at the parsonage at 2 p. m., where cars will be provided.
