

## School May Fete Vies Against Wind As Many Attend

Track Meet, Music Festival Attract; Picnic Lunch Held

Blustery weather was a blow to enjoyability of the annual county school May day festivities here Friday, but events went off as scheduled and many school children and parents from all over the county were in attendance.

The morning track meet, in which both boys and girls participated, got a better break on the weather than did the music festival in the afternoon. A cold wind blew as the festival was staged on the school lawn, playing havoc with the nice decorations that had been put in place, and competing with the youthful voices for command of the air. In spite of the wind, however, Boardman grade school pupils wined the Maypole, the Heppner graders performed their Dutch dance, and choruses sang lustily. Heppner school band added to the attraction by playing numbers to be played at the regional contest in Portland the end of next week.

At noon a large picnic lunch was enjoyed in the school lunch room and on the school lawn where planks on "horses" had been placed to accommodate the children. Heppner Lions helped extend the city's hospitality by serving fruit salad and the county teachers' organization served hot chocolate and coffee. Stores closed from 12:30 to 1:30 to permit all who cared to attend.

### Legion Makes Plans For Memorial Day

Full observance of Memorial Day this year was planned by Heppner American Legion post at its Monday evening meeting. C. J. D. Bauman, Lee Howell, Spencer Crawford were appointed by Commander Henry Peterson to make arrangements and report at the next meeting. Tentative plans call for cleaning of all veterans graves before Memorial Day, morning services, decoration of veterans' graves and service at the G. A. R. plot in the cemetery. Erection of a suitable permanent marker on the G. A. R. plot was discussed and it is expected action will be taken as soon as it is possible to get into the mountains where a fine slab of marble has been located.

Names were drawn for the post's representative to Beaver Boy State with Harry Tamblin, Jr., getting first call and Hugh Crawford and Austin McAtee being second and third. Representatives of Elks and Lions will be chosen soon, and Commander Peterson announced that he was sending his son Ted to make four representatives from Heppner.

Appointed to investigate cost and procedure of erection of flag pole at the court house were Earle Gilliam, Dick Wells and Loyal Parker.

Announcement was made of a big district veterans' picnic to be held under sponsorship of Pendleton post at Battle Mountain park Sunday, May 21. Invitation was extended to all veterans of all wars whether members of the Legion or not.

### Masons Honor First President at Service

Heppner Masons attended special services at the Methodist church Sunday morning in commemoration of the 150th anniversary of the inauguration of George Washington as first president of the United States. Rev. R. C. Young, pastor, brought a special message for the event, and special music was sung by the choir.

Recognizing Washington as a church man and moral leader, the church service came at the close of a year's celebration by the fraternal order, the first lodge in the United States of which Washington was master at Alexandria, Va.

**CARD OF THANKS**  
We wish to express our sincere

### Steer Feeders' Day Set at Union Station

The annual Steer Feeders' day at the Eastern Oregon Experiment station at Union will be held Saturday, May 6. A tour of the grass nursery will start at 10:30 in the forenoon, followed by a luncheon furnished by the experiment station with the steer feeders' program in the afternoon.

This steer feeders' day has always been of great interest to livestock men of eastern Oregon, as the results of many feeding experiments are brought out.

A great deal of forage work has been done at this station and this should be of interest to many of our Morrow county farmers.

thanks and appreciation to the many kind friends and neighbors for their helpfulness and expressions of sympathy at the time of our bereavement.

Mrs. J. H. Blake and family.
