Commander Peterson Urges Poppy Support

World war veterans of Morrow county were urged to remember and pay tribute to their comrades who died in the war by wearing a poppy on Poppy Day, Saturday, May 27, in an appeal issued today by Henry Peterson, commander of Heppner post of the American Legion.

"The poppy is the memorial flower of the World War dead," said Commander Peterson, "and brings back visions of the poppy-studded fields of France and Belgium where so many of our comrades gave their lives in the nation's service. It is very fitting that once each year we should put on a poppy to show that we still remember these dead and still are devoted to the ideals for which they gave their lives."

"Every World War veteran, of course, will join with the other patriotic citizens in wearing a poppy on Poppy Day and contributing as generously as his means will afford to the welfare of those who are still suffering from the war, the disabled veterans, their families and the families of the dead. The little red flowers of remembrance will be offered to us by the women of the American Legion auxiliary, our wives, mothers, sisters, and daughters, who will work through the day as unpaid volunteers."

"We veterans should set an example by being among the first to have a poppy on our coat in honor of our fallen comrades."
