

Local News

Harold Dobyns, with Uncle Sam's biological survey, was a visitor in the city Monday from a trip into the John Day country. Former Ione boy, and brother of Jesse, Walter and Noel of this county, Harold made a reputation as a coyote trapper as a boy which led to his present 23-year service with the government agency. He is now supervisor of a large district in eastern Oregon with headquarters at Pendleton.

Tom Clark, brakey on the local branch for several years, was in the city the first of the week preparing to move the family home to Hood River. Mr. Clark had been running out of Hood River for three weeks while Mrs. Clark remained here. They are now moving their household goods and Mrs. Clark is joining her husband to reside in the apple capital of Oregon.

Mr. and Mrs. V. H. Buchanan of Fresno, Cal., arrived Saturday night and visited until Sunday noon with Mr. Buchanan's mother, Mrs. Lucy E. Rodgers. Mr. Buchanan, a salesman, was called to Klamath Falls on business the end of the week, so took opportunity to make the little 400-mile side trip for the visit here.

Louis Cason came to town Monday from the mountain farm, and leaving for home just as the shower struck he was hoping he might get stuck in the mud on the way out. He estimated range in his section to be about a third short of normal, but thought enough rain might improve the situation.

Oscar Peterson and Leonard Carlson were Gooseberry neighbors trading in the city Monday. They reported crops hurting from the unseasonal drouth and had their countenances lifted several degrees by the light shower that hit town just as they were preparing to leave for home.

Word has been received by friends here from Dr. J. H. McCrady, dentist here for several years, who is now located at Bellingham, Wash. He wrote that he is feeling much better than he ever thought he would after sustaining severe injuries in an automobile accident two years ago.

Howard Furlong was able to leave the hospital this week after treatment for injuries received in an automobile accident last week. He emerged with fifteen pounds loss in weight and some physical impairment which will take some time to recover completely.

Pre-Medical Students From OSC Win Honors

Oregon State College—Out of 10 members of the graduating class at Oregon Medical school to be elected to the honorary fraternity Alpha Omega Alpha, six received their pre-medical training in the school of science at Oregon State college, according to word received by Dr. Nathan Fasten, head of the committee in charge of pre-medical work.

As the Oregon Medical school is a regional training center drawing students from many parts of the west this is considered an unusually high tribute to the students from this institution. Two of the four elected to the honor society took their pre-medical work at the University of Oregon and two at Reed college.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the many friends and neighbors for their kindly assistance, expressions of sympathy and beautiful flowers given at the time of our bereavement. Mrs. Sarah Matteson and family.
