River Party Visited  
By Hardman Friends

By HARDMAN HIGH SCHOOL

Mrs. Owen Leathers and son with Mrs. Carol McDaniel and Ramona from Lonerock went over to Spray Wednesday to meet the boat party which is rowing down the John Day river. They set off near Dale ranger station on the North Fork Monday. Outside of blisters and torn clothing, a broken oar and a good crop of whiskers, they didn't show that they had traveled a lot of miles in rough water. As they didn't have much to say about their trip so far, no doubt by the time they reach the Columbia about Sunday, with no bad luck, they will have plenty to tell. In the party were Harold Dobyns, assistant biologist of the Biological Survey; Carl McDaniel, government trapper, and Clark Atkins, a neighbor of Mr. Dobyns in Pendleton. The trip is being made in two boats, one 16-ft and one 9-ft. Besides Mrs. McDaniel and Mrs. Dobyns and Ted Henderson of Condon, a party of friends expect to meet the party at the end of their journey on the Columbia.

Mrs. Raymond McDonald and children went to stay in the mountains with her husband the rest of the summer.

Mrs. Carl Leathers, Ethel McDaniel, Vern and Cecile motored to Cove Monday to bring Jean Leathers and Vera McDaniel back. They attended the summer session of school there. They report a very wonderful time and met a lot of nice young people. In spite of the fact that Vera was kicked by a horse and was quite lame and bruised for a few days, they had a fine time.

The grade school district held its annual meeting June 19. The budget was voted. Ralph I. Thompson received the majority of votes cast for non-high school director. Lewis Batty was reelected for 3 years as director and Ethel Knighten received the majority of votes for

clerk.

Mr. and Mrs. Victor Lovgren and family with Mr. and Mrs. Owen Leathers went over to Long Creek Sunday. They visited with friends and relatives at Monument also. It was raining in the Long Creek country and the roads were quite slippery in places.

Mr. and Mrs. Raymond Reid, Marvin Hughes, Bryce Keene and Pat Bleakman picnicked on Middle Fork Sunday.

The recently organized 4-H clubs met in the Miller building Wednesday of last week and had a very enjoyable and profitable time. Since Mrs. Marvin Brannon was in Portland, having gone down to attend the Rose Festival, Mrs. Neal Knighten was the only leader. In the future the clubs will meet on every Wednesday. Mildred Clary resigned as secretary as she will have to miss a number of meetings, and Annie McIntyre was elected in her place. New members are Molly and Annie McIntyre, Norvin Adams and Clinton Batty. Visitors were Mrs. Carl Leathers, Mrs. Charlie McDaniel, Mrs. Carey Hastings and daughters, Mrs. James Brannon and children, Betty and Bobby Cunningham.

Friends and relatives of Guy Moore of Pine City were pleased to learn that he had been elected boys' president for the 4-H clubs while they were in session at the Corvallis summer session. Guy has been prominent in club work for years.

On Wednesday Mrs. G. I. Clary and Irl and Mildred left for Portland where they visited for a few days, and then went on to San Francisco for a longer stay. Mrs. Clary has a sister in each place.

Betty Cunningham is continuing her visit at the James Brannon home, and last week Bobby came out also.

Pad Howell left town Tuesday, going to Waterman Flat to herd sheep for the summer.

Golda Leathers has been visiting a few days at the Lewis Knighten home. She, with Mrs. Knighten, Juanita and Adeline Byers went to

La Grande the first of the week. They expect to return Friday.

Mrs. Ted Burnside and children are spending a few days in town with relatives.

B. H. Bleakman, Earl Redding, Fan Miller, Irl Clary, Eddie McDaniel and Red Bleakman returned this week from Grant county. Only Red and Eddie went back. Earl Redding started work for Wm. Greener.

Mr. and Mrs. Jim Durn of Walla Walla visited Granda Allen Monday. They are very old friends.

Vern McDaniel visited this week at the home of Mrs. Harry Owens.

Mary Greener and mother, Mrs. A. Hector of Ritter returned home Thursday from the world's fair in California. They report a fine trip of five weeks.

Mrs. Albert Schunk and daughter of Heppner are visiting at Reed's mill with Mr. and Mrs. Dewey Butts.

The Birthday club met at Mrs. Harry Owens' home in the mountains Friday. It was a joint party and both Mrs. Owens and Evalyn Farrens received lovely gifts from the forty persons present. Refreshments of sandwiches, angel cake, ice cream and punch were served. The next party will be for Ella Bleakman and Ethel Knighten on June 23.

Pat Bleakman visited Mrs. Delsie Reid this week at Reed's mill.

Kinnard McDaniel of Rhea creek was in town Saturday for a short time attending to business.

Ilo Merrill returned home Sunday from Mollala where she has been teaching school.

Low Fares Offered  
As Travel Stimulus

Railroads serving Oregon, Washington and northern Idaho are offering attractive rates to the people of this territory who contemplate making trips to other districts to celebrate the Fourth of July. "If you have a saving disposition," says J. C. Cumming, general passenger agent of the Union Pacific railroad, "don't overlook the bargain round trip coach excursion fares offered by railroads July 1 to 4 inclusive.

"During that period," Cumming said, "the Union Pacific will sell round trips in coaches for as low as a cent a mile, representing the most drastic reduction in railroad fares authorized for some years. The final return limit will be midnight, July 6."

With minor exceptions these low excursion fares will apply generally between points in Washington, Oregon (Huntington and west), and

northern Idaho, and to some cities in British Columbia, Cumming announced.

Mrs. D. M. Ward went to The Dalles Monday for a short visit at the K. W. Farnsworth home.

## Calls for Clothes

—Vacation clothes — the kind that well-dressed men wear on trips to the city, the seashore or, if you prefer fishing or outing clothes we have them, too.

Don't put off to the last minute what you should attend to early. Come in today and let us outfit you for a real vacation trip.

**WILSON'S**  
Men's Clothes for Men

**"I thought I knew  
all about automobiles!"**

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest

construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford — with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes — will prove it's the modern car in the low-price field.
