

### Work to Start Soon on Willows Grange Hall

Mary Lundell, Reporter  
How well do you spell?  
How well do you spell backwards?  
Much amusement resulted from a backwards spelling match at grange last Saturday evening when the lecturer, after having leaders choose sides, pronounced words asking the contestants to spell them backwards. Prize winner was Dorothy Brady with Kenneth Lundell a close second.

The deed and abstract to the property recently purchased by the grange, have been turned to the committee, the hiring of a carpenter authorized, and preparation well under way to begin work on the new hall as soon as the rush of farm work is over. A committee has been appointed to select the type of building to be erected, and a report will be made at the next meeting. At that time a ballot will be taken affording patrons a voice in the selection.

Miss Dorothy Brady, Willows attendant to the Rodeo queen, made a fine report on her trip to Portland and St. Paul during the celebration. The trip was sponsored by the Rodeo association and Miss Brady expressed much appreciation of the entertainment tendered them.

The Home Economics club will meet at the home of Mrs. Marion Palmer on Friday, July 21. All members are urged to be present.

The members of Willows grange voted to dispense with one meeting in July and one in August. The next meeting will be a lawn party at the home of Mr. and Mrs. Oscar Lundell on Sunday, August 13th. A basket dinner will be served at noon (picnic style), to be followed with a business meeting and program. Grange members are invited.
