**Coming Events**

Football, Condon, here, Oct. 13.  
 Teachers' Institute, Oct. 16.

**Congratulations, Football Boys**

The entire school should be proud of the football boys for the spirit they have shown in their recent games. Even after being seriously defeated by the Pendleton B string they went over to Enterprise and came off the field with a victory. We hope they keep up the good work and defeat Condon in the game this coming Friday.

**Courtesy**

Courtesy is one of the key words that gain us success and friends.

Courtesy on the highway prevents accidents, and courtesy in social events gains friends. This statement does not exactly mean if you are a little rude that you will have no friends, because if it did, we would probably all be without friends.

Since school has taken up there has been a noticeable crashing and banging of students bumping against one another in halls. Especially at noon time, there are several students as well as teachers, irritated by this lack of courtesy.

We are a civilized race and most of us are well fed before coming to school, so it is not necessary that we rush down the stairs as wild and hungry cannibals would do.

What do you say that all of us make a special effort to respect someone besides ourselves and be courteous!

**Heppner to Play Condon**

After playing two games out of town, one of them on a turf field, the Heppner Mustangs return to their home field Friday to tackle a strong Condon team. The Heppner team has steadily gained experience by playing three games, winning two and losing one. They are gradually building up a smooth offense and a tight defense. Condon boasts a dangerous team. They have beaten several strong teams, including Arlington, 6-0, and Grant Union high school, 19-0.

**Student Council Meets**

A student council meeting was held last Tuesday to clear up several important matters.

Mr. Knox reported that the budget was not ready for this coming year.

The matter was brought up about the pictures for the annual and it was decided that a contract will not be awarded yet.

A committee of Don Jones, Hugh Crawford and Shirley Wilson was appointed to investigate the possibility and expense of buying mimeograph paper for The Hehisch. The committee decided to order 500 sheets of this paper to try in this week's issue.

It was moved and passed that the treasurer pay the following bills: Heppner Gazette Times, \$3.90; Gordon's, \$3.40, and Humphrey's Drug Co., \$1.80.

It was decided that Bud Blakely, the yell king, be awarded a megaphone, and a committee of Paul, James and Guy was appointed to look into the matter.

**"And It Rained" to Be Given**

This year's annual operetta is to be given December 15. Mr. Peavy has charge of the acting and Miss McElheiny has charge of the musical score.

The story is centered around the Black family who have in their po-

session an antique mirror that had been owned by the Rich family for generations. Maibelle Rich, the daughter, goes after it. Much excitement and trouble follow.

The cast is as follows: Mr. Wise, proprietor of the Wise hotel, James Kenny; M'le Marie Carray, Manager of French dancers, Pat Dooley; Dennis Black, returning from college, Jack Merrill; Maize Black, his sister who has \$100, Frances Wilkinson; Mrs. Wise, boss of Wise hotel, Juanita Phelps; Maibelle Rich, on a special errand, Lucille Barlow; John Rich, who follows and supplies the money, Jack O'Hara; Curley Rich, Maibelle's brother, Don Bennett; Steele Black, father of Dennis and Maibelle, Bud Blakely.

**Dean Gilman Second in Judging**

Dean Gilman, the third of the trio that went to Portland Friday to judge in the Pacific International exposition, won second place in the state of Oregon and fifth for the whole Pacific northwest. This en-

titles him to go back to Kansas City as representative of the Oregon judging team. His expenses will be paid by the local F. F. A.

The team placed well in the finals, 18th out of 74 teams and 8th in Oregon.

The team, Dean Gilman, James Moyer and Arthur Vance, and alternates, Bill Padberg, Don Fell and Lura Stephens, had an enjoyable time in Portland. Art and Dean went to Enterprise to play football and were taken to Arlington by Mr. Knox, where they took the bus on to Portland.

**Colleen Kilkenny Injured**

Colleen Kilkenny cracked the bone in her elbow when the tire blew out on the car she was driving. The accident occurred Sunday morning on Hinton creek a little below Beymer's ranch. The car got out of control, spun around, hit the hill head on, and turned over on its side. Mary Curran, who was a passenger at the time, escaped with only a few bruises.

**H. E. Club Meets**

On Thursday, Oct. 5, the Home Economics club met under the direction of Miss McElheiny, instructor, to form a tentative program for the year. Dorothy Howell, last year's vice-president, holds the office of president. The treasurer reported the financial standing of the club was good. Libby Healy was elected as new vice-president; Dorothea Wilson, song leader. Hereafter the club plans to meet on the first Tuesday of every month. A motion was made that an amendment be made to the constitution as to the election of officers. Laura Warfield and Colleen Kilkenny were appointed to revise the section. Suggestions were made for possible achievements this year, among them were the following: Football and F. F. A. banquets, a bazaar, a silver tea, leap year party, playday, and making a quilt to sell. The program committee for the next meeting is Peggy Tamblin, Donna Lee Orwick and Patty O'Hara.

**Personals**

Marvin Casebeer was a visitor at school Wednesday afternoon.

Cecelia Healy has had her arm free of all bandages since Tuesday.

Helen Doherty, who is an Ione junior, was a visitor of the Daly girls Monday.

F.F.A. boys who attended the Pacific International Livestock exposition at Portland are Lura Stephens, Dean Gilman, Don Fell, Bill Padberg, Art Vance and James Moyer.

**Fashions of the Week**

A plaid bolera jacket and skirt to match, set of by a white blouse, was worn by Jean Hays.

Margaret Doolittle set a pace with a green pleated skirt with a rose sweater.

Guy Moore and Don McEwen head the list with their neat looking slip-over sweaters covering white shirts. Guy's sweater being a blue of about the same color as his trousers while Don's sweater was a wine with blue trousers.

# Let's Keep Heppner Safe from Fire

**RID HOME AND BUSINESS OF FIRE HAZARD THIS WEEK**

Heppner is cooperating with the nation-wide movement to observe National Fire Prevention Week—October 12 to 19. Its purpose is to spread information on fire prevention and fire control. The annual loss due to preventable fires has reached alarming proportions. It is time the nation learned to curb its carelessness. There are lessons in fire-prevention we all can learn. Let's learn them.

**Keep matches away from children.**

**Don't throw away lighted matches.**

**Keep children away from open fires.**

**Don't throw away burning cigarette or cigar stumps.**

**Keep your electric wiring and appliances in good condition.**

**Don't leave smouldering campfires.**

**Keep your flues and chimneys open and clean.**

**Don't use benzine or gasoline for cleaning purposes.**
