Willows Grange To Elect on 11th

By MARY LUNDELL

On the regular meeting night, November 11, Willows grange will hold election of officers for 1940. In these elections, members should keep in mind the good of the order—a person who will make a splendid lecturer may make a poor master, or one who is endowed with executive ability would be material wasted as gatekeeper. We would not think of electing a musician who does not know something of music, so should we keep in mind the ability and personnel of the officers-elect.

Quite a number of visitors at the new grange hall have expressed enthusiasm and pleasure at the extent of the project and the recent progress made on the building.

At the last meeting of the grange four new members were elected to membership, adding to the total reinstated and initiated since the last Pomona meeting.

The grange secretary, Helen Lindsay, is welcoming the few members who still are in arrears for dues. Miss Lindsay is anxious to make these collections so that Willows grange may go on record as an honor grange for 1939. If you happen to be one of the belated few, please see or write the secretary.

TO PLAY ARLINGTON AGAIN

The annual argument between Arlington and Heppner as to whose football team is the best was satis-

fied as far as the Heppner Mustangs were concerned in the game here two weeks ago. However, the Honkers were far from convinced by their 19-20 loss and so have challenged the Mustangs to a return game. Heppner boys still think that they have the best team and so were anxious to oblige the Honkers. As a result the return game will be played at Arlington on Saturday, Nov. 18.
