Mrs. Louis Padberg Rites Held at Ione

By MRS. ELMER GRIFFITH

Funeral services were held at the Christian church Tuesday afternoon for Maude Wood Padberg, who passed away at the family home here Sunday morning following an illness of about a week. Martin B. Clark of Heppner officiated. Mrs. E. J. Blake was at the piano, and Mrs. Erling Thompson and Mrs. W. G. Roberts sang. Pallbearers were Omar Rietman, Bert Mason, Carl Troedson, W. C. Roundy, G. A. Pettys and E. C. Heliker. Many lovely flowers were sent by friends.

Maude Wood was born in Idaho in 1881. She came to Morrow county with her family and was married to Louis J. Padberg in Heppner, Nov. 29, 1900. She is survived by her widower, and four children, Earl of Portland, Cecil and Mrs. Ruby Kincaid of Ione, and Mrs. Emerald Roundy of Heppner, and four grandchildren. Also two sisters, Mrs. Lana Padberg and Mrs. Violet Bryson, and two brothers, Frank Wood of Ione and H. C. Wood of Portland. Mrs. Padberg was a member of the Christian church.

Among out-of-town relatives here for the funeral were Mr. and Mrs. H. C. Wood of Portland and their son-in-law and daughter, Mr. and Mrs. Wm. McKenzie of Eugene, Mr. and Mrs. Clarence Kruse of Oswego, Mr. and Mrs. Huston Bryson, Mrs. Opal Cason and Miss Guyla of Portland, and Mrs. Lydia Heaton of Pendleton.

The members of Ione post, American Legion, and the auxiliary were entertained by the auxiliary Friday evening with a delicious chicken supper at the hall. Forty-five persons were present, including nineteen guests from Heppner, and Mrs. Gladys Lemons, district president of the auxiliary, Hugh Bowman, district commander of the Legion, both from Pendleton, and Bob Burlingame of Milton. The following auxiliary officers were installed: President, Ada Christopherson; 1st vice-president, Ruby Roberts; 2nd vice-president, Edith Nicholson; secretary, Maude Farris; chaplain, Anna Blake; and sergeant-at-arms, Vera Rietmann.

Miss Helen Lindsay has been engaged to assist at the school. She will drive a school bus, transporting two pupils, and will take care of the primary pupils between the time they are dismissed and the time the busses leave, substitute for short periods of time for the teachers, and do office work for the principal.

Mrs. H. O. Ely, who is a patient in the Heppner hospital following an operation, is reported to be making satisfactory recovery.

Mr. and Mrs. Dale Ray and Mrs. Alice Wiles returned Thursday from an extended visit at their former home in Missouri.

Mr. and Mrs. Henry Gorgor and baby daughter are visiting relatives in Portland, and attending to business matters. Mrs. Inez Freeland accompanied them to the city.

Dixton T. Smith has reentered the veterans' hospital at Walla Walla.

The Women's Topic club met Saturday at the home of Mrs. C. F. Feldman. Able reports on the book, "Jenny Lind," by Wagenknecht, were prepared by Mrs. Dorr Mason, Mrs. Victor Rietmann and Mrs. Hugh Smith. The social meeting will be held Saturday evening, Dec. 9.

J. A. Troedson, who was painfully injured by a blow on his wrist by an axe, is at his home near Morgan, and is getting along nicely.

Ione school will close Friday, Dec. 22, for Christmas vacation, and will not reopen until Jan. 2.

Among out-of-town relatives here for the funeral rites of Charles Ritchie were Mrs. J. J. Gambill of Eugene, and her daughters, Musette, Patricia and Barbara Anne. Mrs. Gambill will be remembered by Ione friends as Ethel Sperry.

Willows grange is planning an afternoon and evening entertainment December 16, when the new hall will be dedicated. There will be dedication ceremonies, installation of officers, a bazaar, and in the evening, a free dance. Other granges of the county have been invited to send their officers to be installed here.

New Industries Man Engaged by P. P. & L.

H. W. Derry, for the past three years principal industrial engineer for the Tennessee Valley authority, has been engaged by Pacific Power and Light company to help in the general effort to secure new employment-giving industries to utilize natural resources of the Columbia basin, Ray P. Kinne, Heppner manager, was informed today.

Substantial credit for developing 125,000 kilowatts of industrial load for T. V. A. hydro-electric plants is given Mr. Derry by former associates in the Tennessee Valley project.

"As manager of Pacific company's new industries department, Mr. Derry's proved ability and wide experience will be at the disposal of the communities served," said Geo. T. Bragg, vice-president and general manager, in announcing the appointment. "He will approach our

mutual problem of industrial development with a broad viewpoint, and is ready to work with each community in whatever way will prove most helpful and beneficial."

Prior to his association with T. V. A., Mr. Derry for nine years was in charge of industrial sales for Pennsylvania Power and Light company, operating in one of the most highly industrialized sections of the United States. In 1935-36 he was consultant for the Third World Power conference in Washington, D. C.

"Mr. Derry's wide acquaintance among leaders in the nation's electro-chemical and electro-metallurgical industries should be of particular value in efforts to get some of these important industries established on the Columbia river," said Mr. Bragg.
