

Arlington Steps Up To Tie Heppner For League Lead

River Boys Defeat Mustangs; Irrigon Retains 'B' Top

Wheat League Standings

"A" Division—	Won	Lost	Pct.
Heppner	2	1	.667
Arlington	2	1	.667
Condon	2	2	.500
Fossil	1	3	.250

"B" Division—	Won	Lost	Pct.
Irrigon	6	1	.857
Boardman	5	1	.833
Umatilla	4	3	.571
Lexington	2	4	.333
Ione	1	5	.166
Echo	1	5	.166

By dropping its game with Arlington high school team on Tuesday night, the Heppner high Mustangs were forced to share the league-lead of the "A" division of the Wheat Basketball league standings with the river town's high school quintet, with two wins and one defeat listed for each school. Fossil high broke into the win column with a surprise victory over Condon in the other "A" division game of the week.

Meanwhile in the "B" division, the race is growing hotter with Irrigon high still leading in the percentage column with six wins and one defeat in league play while the Boardman five is pressing close behind with five wins and one defeat. Irrigon won both its games from Ione and Echo to top off its week's play, tromped all over Stanfield high in a non-league clash last Saturday night.

Boardman squeezed out a three-point margin win over Umatilla and Lexington to keep in the running for the "B" division championship honors. Umatilla avenged its defeat at the hands of Boardman by romping home with an easy victory over Ione last Friday. On Saturday night, the Lexington Jackrabbits journeyed to Condon to suffer defeat at the hands of the revenge-seeking Condonites, in an inter-division clash that did not count in league standings.

The schedule of play for the coming week calls for Heppner to entertain Fossil on the local floor this Friday night, while Condon travels to Arlington for the other "A" division game. Umatilla and Echo will battle it out on the Umatilla floor, Friday. Next Tuesday night Umatilla will attempt to duplicate its early season win by toppling the mighty Irrigon five on its home floor. On the same night Lexington and Ione will wind up the "B" division play for the week at Ione.

Non-league clashes call for Boardman to meet Condon on Saturday night when Ione entertains Pilot Rock. Irrigon takes on Hermiston on Friday night. Boardman tackles Hermiston next Tuesday while Echo plays host to the Adams high quint.

Dr. A. K. Higgs Passes in Portland

Announcement of the death of Dr. A. K. Higgs, former Heppner physician, was contained in the Portland papers Sunday. Death occurred at Portland Saturday, Jan. 20.

Dr. Higgs came to Heppner from the John Day country shortly after the Heppner flood of 1903. He practiced here five or six years before removing to Portland, which had been his home since. During his residence here he enjoyed a wide practice and he made extensive investments in Morrow county property. When the United States became involved in the World war, Dr. Higgs joined the medical corps and saw service in Siberia with the American Expeditionary force. He entered politics in the early 30's and served his district in the legislature.

Fraternally, Dr. Higgs was associated with Woodmen of the World

Hens So Prolific Egg Prices Skid

It is time to eat eggs, that vitamin filled, concentrated health food, say the O. S. C. agricultural and home economics specialists, noting current market reports.

Producers need the help owing to record breaking egg output by the layers without a corresponding pickup in egg consumption, despite the lowest January farm price level for eggs in 30 years. The situation offers consumers an opportunity unequalled at this season of the year, to include more eggs in the diet.

The home economists point out that eggs are rich in protein, needed for the growth and repair of muscle, bone and blood, and they say that for the younger members of the family, at least, an egg a day is desirable. Eggs are also rich in vitamins A, B and D. The combination

of iron with vitamin D makes egg yolk one of the first foods to supplement milk in the diet of a very young child, say the nutrition specialists.

In the country as a whole, egg production at the first of 1940 was the largest on record—nearly 9 per cent greater than a year previous and 40 per cent above the average on January 1. Egg market quotations the middle of January were low everywhere, being 5 to 6 cents a dozen cheaper at Portland than a year before.

The increase of 9 per cent in egg production compared with a year ago was caused more by heavier production per hen than by the increase in the number of hens, according to the extension agricultural economists in charge of market news at the college. The number of laying hens is estimated at approximately 3 per cent above the number on hand a year ago, with

the average output per hen 9 per cent greater.

Eggs are still being shipped from the Pacific coast to the New York market at the rate of 30 to 40 cars a week, although top quality Pacific coast white eggs brought only 24½ to 25 cents a dozen at auction there on January 17.

The home economics section of the extension service has issued a list of 10 selected recipes for preparing eggs for the table, a copy of which may be had from any county extension office or direct from the college.

ATTEND KELLY FUNERAL

Several Heppner and Morrow county people drove to Pendleton Monday morning to attend the funeral of the late John Kelly. Among those going were Mr. and Mrs. P. W. Mahoney, Frank Monahan, James Monahan, Eddie Sheridan, Mrs. Lottie Kilkenny and Ilene, Bobby and William Kilkenny, James Wilson and Henry Cohn.

Use caution as a practice and you won't have to use bad weather as an excuse.
