

## Finnish Relief Campaign Gets In Motion Here

Dr. R. C. Lawrence  
Chairman of Drive  
in Morrow County

While contributions have been received at the First National bank for several weeks, the campaign for Finnish relief took a definite step forward this week with the acceptance of the chairmanship for Morrow county by Dr. R. C. Lawrence of Heppner. The National Finnish Relief fund committee is headed by former president Herbert Hoover, with headquarters in New York city. Ben S. Allen, assistant to Mr. Hoover, is in charge of the western states division and Phillip H. Carroll of Portland is director for Oregon.

Dr. Lawrence is contacting civic organizations and mayors of the several towns to obtain cooperation in the campaign here. The chamber of commerce and the Lions club will be asked to develop some benefit activity to raise funds for the relief in Heppner. The organizations are being urged to step up action in this matter as it is proposed that the entire project be consummated within the next two or three weeks if possible.

On February 17 and 18 it is planned to have girls dressed in Nordic costumes solicit funds in the lobby of the Star theater. To add a touch of realism to the scene it is proposed to enlist as many of the young women of Scandinavian extraction as may be found in this vicinity.

Commenting on the type of relief sought here, Dr. Lawrence said that the Finnish Relief fund is not accepting donations of clothing or any other articles for forwarding to Finland. Only cash donations are being handled by this organization. Clothing should be sent to the Consul General for Finland in New York city. The county chairman also pointed to the ruling made by the commissioner of internal revenue relative to tax exemptions under the Finnish Relief Fund, Inc. Contributions made to the fund by individual donors are deductible by such individuals in arriving at their taxable net income in the manner and to the extent provided by section 23(o) of the Internal Revenue code as amended by section 224 of the Revenue Act of 1939.

Contributions are being accepted at the First National bank in Heppner and forwarded by that institution to the Chase National bank in New York, national depository. With more than 1,000,000 people directly on relief in Finland, it is urged that contributions be prompt—and generous.

### Alpine Children Spend Day in Town

Mrs. Neal Knighten, teacher, brought her school to town Wednesday when the Alpine 4-H Health club came for medical examination. Teacher and pupils made a big day of it, visiting stores to study conditions in connection with their health projects and school work. The group visited the Gazette Times office to watch the linotype in operation and inspect other machinery employed in turning out a newspaper.

Accompanying Mrs. Knighten were Donald Ebsen, Dorothy Ebsen, Doris Rauch, Berna Ebsen, Herman Ebsen, Pauline Rauch, Ina Rauch and Ann Lindsey.

### OBSERVE ANNIVERSARY

Observing one year of business in Heppner, the Rosewall-Gentry Motor company is celebrating the event with a special anniversary sale, advertisement of which is to be found in this issue of the Gazette Times. Clarence Rosewall, manager of the local business, states that he has found this first year most gratifying and that he looks forward to the coming years with confidence in the future of Heppner.

### Lions Object to Camp's Removal

Joining in the movement to prevent removal of Camp Heppner CCC before work already signed up is completed the Heppner Lions club forwarded a resolution voicing the club's objection to proper authorities the first of the week. Action was taken following the regular meeting Monday when an outline of what other organizations are doing was given by B. C. Pinckney.

Announcement of the removal of the camp has agitated local groups the past week. Ways and means of forestalling discontinuance or removal have been discussed pro and con and at Monday's meeting it was disclosed that so long as the camp is here there is some chance of retaining it for at least another year if strong enough action is taken at once.

Music for the luncheon, held at the Elkhorn, was provided by Peggy Tamblin, who played an oboe solo. Her accompanist was Jeannette Blakely.

### Flames Consume Dalles High School

Fire of unknown origin early Tuesday destroyed the high school

building at The Dalles. Burning followed an explosion at about 2:15 a. m. Firemen arriving at the scene at 3:10 concentrated upon saving the new \$155,000 gymnasium, adjacent to the school.

Students of both senior and junior high schools have been given a vacation until next Monday, when they will re-register. All records were destroyed, as well as band instruments, and the high school printing plant was badly damaged. Closing of the junior high school was made necessary by the fact that the central heating plant for both buildings was in the one destroyed. School officials are studying the possibility of placing students in the several grade school buildings and

also utilizing the city auditorium as an emergency high school.

First word of the fire was brought to Heppner Tuesday by William Wagner, representing Fraser Paper company of Portland, and Mrs. Wagner, who arrived in The Dalles shortly after the fire.
