OUR AIM IS TO PLEASE

On February 11th, 1939 we opened for business in Heppner and your response to the service we had to offer has been most gratifying. Your valuable patronage has made it possible to give employment to the following group of employes who join the management in taking this opportunity to thank you. If you have been planning to have your car or truck overhauled, either new rings or motor re-bored brakes re-lined in fact any kind of shop work, you can take advantage of this saving. Estimates gladly furnished on all work. 10% saving applies to all parts sold on shop work orders as well as labor sales brought in during this sale.
