

# A Scout Is Reverent

© Brown and Bigelow

**MAINTAINING** that no boy can become the best kind of citizen without recognizing his obligation to God, the Boy Scouts of America, in this new Norman Rockwell painting, symbolizes the spirit and meaning of its Twelfth Scout Law: "A Scout is reverent. He is reverent toward God. He is faithful in his religious duties and respects the convictions of others in matters of custom and religion."

### Annual Staff Chosen

The following staff was chosen last week to publish the 1940 year book:

Class activities, L. Bothwell; senior activities, L. Stephens; sports, H. Crawford; humor, D. Bennett; dramatics, F. Wilkinson; clubs, D. Jones; society, S. Wilson; art, H. Wray; administration, L. Jones; typists, J. Blakely, S. Wilson, F. Wilkinson.

Clara Adams was chosen editor; Kathryn Thompson, assistant editor; Lowell Ashbaugh, business manager; Howard Wray, assistant business manager, by the student council several weeks ago.

The annual this year will cost \$1.50, 25 cents more than last year, because pictures are to be on sensitized paper and not pasted in the book. The annual also will be printed, not mimeographed at school.

### Girls' League Presents Program

An original theme was carried out in the assembly presented by the Girls' League last Friday after the student body meeting. The entire program was presented in a cabaret setting.

The first part of the program consisted of the story, "Little Red Riding Hood" as told by Hitler (Peg Tambllyn). Mildred McClintock portrayed the nice, kind old wolf, who got shoved around by that rat, Red Riding Hood (Jean Hays) and that louse, the grandmother (Neta Bleak-

man). The remainder of the program included "Frankie and Johnny," sung by a quartet of girls—Dorothea Wilson, Kingsley Chapin, Lucille Barlow and Patty O'Hara. The words were carried out in pantomime by Shirley Wilson as "Frankie" and Kathryn Thompson as "Johnny."

Johnny proved he wasn't dead by popping up again in "Oh Johnny," sung by the quartet.

The closing numbers were "At the Balalaika" and a tap dance by Wanda Howell to "La Cucaracha."

### FROM THE BALCONY

Bill Blake

This correspondent humbly apologizes for the statement in the last issue of the Hehisch which read "Mustangs Win Conference Title." The statement should have read "Mustangs win Conference Tilt..." By virtue of their win over Condon, and Fossil's upset over Arlington, the Heppner team is assured of no less than a tie for top honors in the "A" division of the league. If the Mustangs should lose to the Honkers, the league will again be put in a tie.... O'Donnell made some beautiful shots in the Condon game, while Drake, high scorer to date, was unable to find the basket all evening, missing many chances.... Irrigon leads the "B" division of the league with seven wins and one loss; closely followed by Boardman, with five wins and one loss.... Ione played Heppner with a much stronger team than the one Heppner defeated by a score of 39-13.... This is due to the return of the Pettyjohn twins, diminutive forwards.... Pinckney now holds the bottom rung of the free throw ladder with a .200 percentage; Osborne holds the lead with a .533.... Wray continues to top the foulers with 23 personals called against him; O'Donnell follows with 19.... Coach Knox has only twice used the same starting combination.

### Modes of the Day

As the weather has changed towards spring there are also changes in the ensembles of the girls.

This week colorful blouses are in the news. Frances Wilkinson wore

a peach silk sport blouse with a blue wool pleated skirt. Norma Prock wore a pink silk blouse with blue satin stripes in it to give it a different touch. Lois Jones wore a yellow shantung blouse with blue flowers in it. Kathryn Thompson wore a royal blue wool blouse with long sleeves.

One dress this week that caught the eye of all was Claudine Drake looking very springy in a pink flowered rayon dress. The attractive neckline draped effectively with a clip at the neck.

### Facts About Our Students

Howard Wray was born September 29, 1921, in Bend, Oregon. He is president of the senior class and is on the Hehisch staff and committee.

Howard has really been pursuing an education. He spent the first and second grades in Eureka, Cal.; the third in San Francisco, the fourth in Panita, Mich., the fifth in White Salmon, Wash., the sixth, seventh and eighth in Los Angeles, and the eleventh and twelfth were spent in good old Heppner.

His hobby is collecting match book covers. On completing school he plans to be a lumberman, getting his experience by working in a saw mill in the summer.

His girl friend is Jeannette Blakeley. When asked what his ideal girl was like, he said she had dark hair, was short and slightly plump but that at the present he prefers slim blonde girls. He says he wants to marry a girl with a rich family and a small appetite.

His favorite sport is basketball, in which he plays a good game, being second high scorer. His favorite song is "Dipsy Doodle"; favorite author, Jack London, and he prefers the color green. His favorite picture is "Captain Blood." His favorite actor is Douglas Fairbanks, Jr., and his favorite actress is Alice Faye. His favorite teacher is Mr. Peavy, and his favorite subject is mechanical drawing.

When asked what was the cause of the errors in the paper, he said, "Errors are due to the stencils, because the errors can't be corrected."

### Band Receives Plaque

The Heppner school band received an honor plaque designating the winning of an excellent rating at the national contest last year.

The plaque had been sent for earlier in the year as a result of action taken by the members of the band. The trophy hangs in the assembly by the fire escape.

As to band activities, the pep band is working diligently on formation drills to be used at the Hermiston game this Friday. The drills are expected to do away with the boredom that results from the let-down in action between halves of a basketball game.

### Home Ec Club Elects Officers

The following were elected to

serve as Home Ec club officers for the second semester:

President, Dorothy Huit; vice president, Frances Egan; secretary-treasurer, Edna Stephens; musician, Patty O'Hara; reporter, Dorothea Wilson; song leader, Lucille Barlow; sergeant-at-arms, Colleen Kilkenny.

As there was a tie between Frances Egan and Lois Jones for vice president, an election was held on Monday.

A scavenger hunt was planned for next Wednesday, however, this conflicted with the Lexington game so the party will be held a week from Wednesday, February 21.

The scavenger hunt will start at 7 o'clock at the Christian church. A list will be given the respective groups, and they will come back to the church at 9. Chili beans and crackers will be served.

This is a return party for the FFA boys.

### !!FREE!!

The "H" club will sponsor a free dance after the Hermiston game Friday, February 9. Be sure and plan to be there. Everyone bring your nickels, dimes and quarters to buy "hot dogs" (with mustard).

These are to be sold by the "H" club at the game.

### Parish House Dance Given

A very successful dance was held in the Parish House last Saturday evening. The music was furnished by the school sound system. In spite of the many other dances a large number of students attended and everyone thoroughly enjoyed a pleasant evening of dancing.
