# **Doney Wins Bout** by Technical KO

Fight fans were brought to their feet more than once at the smoker sponsored by Heppner Fire depart- | CHURCH OF CHRIST ment at the county fair pavilion last Saturday evening. From the opening engagement to the final gun in the main event the boys were in there throwing leather at each other as feverishly as the nazis and Tommies are throwing lead and steel in Norway.

Louis Doney, Morrow county's pet wildcat from the sagebrush land of METHODIST CHURCH Wells Springs, fell short of his ambition to score a clean knockout over Charles Aldrich of Butter creek. Doney pounded his man into submission and was awarded a technical knockout. The "Wildcat" is going to add rattlesnake meat to his diet in preparation for his next bout.

A close second to the main event was the semi-final between Sammy McCracken, 135, Hermiston and Billie Stevenson, 140, New York. This bout was a draw. The New York boy upheld the Squaw Creek CCC camp tradition for fighting and the fans are hoping this pair will be matched again.

Ellis Granger and Gordon Heffel. each tipping the beam at 115 pounds, fought to a draw. Bennie Crawford, 170, Monument, garnered a decision over Bill Hardie, Condon; Donald Swanson, 155, was awarded a decision over Ralph Tully, as was Brown's Special from Monument over Garvaille. The last bout was in the 145 pound class.
