

LEXINGTON OPENS WATER SYSTEM

Federal Aid Project Costing \$31,500 Expected to Pay Out Over Period of Years

Lexington's new water system, a \$31,500 project, is now in use, giving the town a service long desired and an achievement of which the citizens are justly proud.

When the project was decided upon, a contract was entered into with the Public Works administration for financing it. The government sanctioned a loan of \$17,500 and made a grant of \$14,000. Revenue from the water system will retire the loan.

Involved in the project was the purchase of the old system from Mrs. Elsie Beach and Mrs. Laura Scott and the drilling of a new well and erection and equipment of a new pumphouse. A. A. Durand & Son of Walla Walla were awarded the contract for drilling the well, which was completed at a depth of 420 feet. Location for the well was chosen by Carl E. Green, representative of the state board of health, and approved by the city, Engineer L. R. Stockman of Baker and the PWA officials. A bacteria test, together with a chemical analysis, found the water to be satisfactory.

Construction was done by Jacobsen-Jensen Co. of Portland. Mr. Jacobsen and his foreman and machinist, with the aid of local labor recently completed laying the new mains, the work being done so efficiently that no one suffered from the lack of water for any length of time. C. E. Stockman of Baker was resident engineer and Mr. Stacer and Mr. Linklater worked alternately as PWA engineer inspectors under the direction of the traveling engineer, Walter Pierson.

Republicans Elect County Club Officers

Members of the Morrow County Republican club met at the court room in the county court house Monday evening and elected officers for the ensuing year. Frank C. Alfred was retained as president, J. O. Turner, vice president and L. W. Briggs, treasurer. J. V. Crawford declined the nomination for secretary to succeed himself and the post was awarded to Mrs. W. S. Bennett.

Directors elected for the ensuing year include Fred Ely, Cecil; Neil Knighten, Hardman; V. L. Carlson, Eightmile-Gooseberry; John Brosnan, Lena, and Henry Smouse, Ione.

A sample ballot for the primary election was perused and in the absence of candidates, several club members gave their reasons for supporting certain state and district aspirants. E. Harvey Miller, Morrow county's aspirant for the legislature on the republican ticket, expressed the hope that if elected he will be able to discern between good and bad legislation and thus be a worthy representative of the district.

Grade Graduation Wednesday Evening

SENATOR REX ELLIS

From Umatilla, Union and Morrow Counties
Republican Candidate for U. S. CONGRESS

To the People of Eastern Oregon:

When I first went to Salem as state senator, the farmers of Oregon could not use their trucks to help out a neighbor, and if they owned a truck they were not allowed to hire it out, under penalty of fine and imprisonment. Through my efforts and my senate bill repealing such laws, a farmer may now use his truck for hire in practically any way he pleases.

I raised the price of liquor and added \$3,000,000 additional money for old-age assistance. While we need still more money for this worthy cause, three million dollars will purchase some additional comfort for my elderly friends.

I think it is a crime that we allow wheat and livestock to come in from foreign countries in competition with our Eastern Oregon farmers.

I am against recognition of dictator nations that imprison the clergy, deny freedom of religious worship, freedom of the press, and peaceful assembly. We should refuse to recognize any foreign power which gives financial support to foreign agents in this country.

I pledge you that if you send me to Washington as congressman from the second Oregon district, I will work, plan, connive and fight for your best interests.

Paid Adv. REX ELLIS.

RESOLUTIONS OF RESPECT

In memory of Sister Maude Samuels, who died April 5, 1940.

Once again death hath summoned a Sister Rebekah, and the golden gateway of the Eternal City has opened to welcome her to her home. She has completed her work in the ministering to the wants of the afflicted, in shedding light into darkened souls and in bringing joy into the places of misery, and as her reward has received the plaudit "well done" from the Supreme Master.

And whereas, the all-wise and merciful Master of the Universe has called our beloved, respected Sister home, and she having been a true and faithful member of our beloved Order, therefore be it

Resolved, that Mistletoe Rebekah lodge No. 25, I. O. O. F., of Hardman, in testimony of her loss, drape its charter in mourning for 30 days and that we tender to the family of our deceased brother our sincere condolence in their deep affliction and that a copy of these resolutions be sent to the family.
