Famous Orchestra to Play Tonight

Fresh from successes in California and their present tour of Oregon towns, Gene Coy and his "Golden Gate" orchestra will provide the music for a dance at the county fair pavilion in Heppner this evening. The dance is under the sponsorship of the Heppner Rodeo association and all money received above the band guarantee and other expenses will go to the association to be used in conducting the 1940 rodeo.

Arrangements for the orchestra's appearance was made last Thursday when J. B. Sparks, former theater operator in Heppner, Arlington, Condon, Prineville, Bend and Redmond, met with officers of the Rodeo association. Sparks has been in the ballroom business in California the last 11 years and says he has been having grand success in booking Coy and his musicians. Aside from contracting dance engagements, his band will play three nights at the Capitol, Bend's leading theater, next week and will return there for the celebration, July 4, 5 and 6.

Tonight's dance will continue to the wee small hours, according to Dr. R. C. Lawrence, chairman of the Rodeo dance committee, and whether you are a dance fan or not you will get your money's worth in high class entertainment, he says. The "Golden Gate" orchestra is California's No. 1 colored stage and

dance band, including entertainers as well as musicians.

WE THANK YOU

We wish to take this method of thanking the people of Morrow county who have responded so generously to the recent distress call of the American Red Cross. We have not reached the quota requested of us, but donations are still coming in and this county is to be congratulated on its manifested humanitarian spirit.

We, in our homeland of peace and plenty, are in no wise responsible for the extreme suffering of helpless people across the Atlantic, but we can, and do, show out benevolent spirit in lending a helping

hand to blameless, pitiable folks in such dire circumstances. They, too, are human, and not so long ago, were good citizens in a little republic or kingdom, and have fallen a victim of the foul monster through no fault of their own.

The present war situation is most regrettable, and we, as American citizens can do no less than to help alleviate and assuage the heartless suffering and grief.

RUSSELL F. McNEILL,
Chairman Morrow County Chapter, American Red Cross.
