COOL AIDS For Summer Heat

THESE WARM DAYS raise the question of what to eat . . . We are not hating out advice, but beg to offer some suggestions:

FIRST—Use a generous amount of Fruits and Vegetables.

SECOND—Keep your ice box filled with citrus and other fruit juices and soft drinks.

THIRD—Stock your larder with canned goods, cold meats, cheese and other articles so you can prepare a tasty, wholesome meal without sweltering over a stove.

FOURTH—(and this is important)—Buy these supplies from your old reliable grocer and you will have that satisfaction which only the best foods can give.

M. D. CLARK**A CHARACTER LOAN**

- WHY BECOME A CREDIT OUTCAST?
- WHY LOSE YOUR CREDIT STANDING with your Merchant and Doctor? Why jeopardize the greatest asset you ever had—YOUR CREDIT STANDING in your community?
- STOP, THINK, don't forget when you asked for credit you asked for a PERSONAL LOAN!

REMEMBER you asked for confidence when you asked for credit and you were not compelled to sign a note or put up any kind of collateral as security. This is called a CHARACTER LOAN by the banks, so don't lose that confidence that your Merchant or Doctor bestowed on you. Start now to pay, part pay or satisfactorily arrange to pay on that CHARACTER LOAN. REMEMBER you lose your character and you lose something you may never regain.
