**YOUR LAMB DISH**

By Mrs. Ralph Thompson

This is a recipe from Mrs. James Laidlaw, president of the Idaho Wool Growers auxiliary, and it was served to 160 ladies at a bridge luncheon early in June.

- 2 cups cold cooked lamb
- 1 green pepper
- 1 medium sized onion
- 1/2 cup chopped mushrooms or celery
- 1 egg
- 4 tablespoons melted butter
- 3 tablespoons heavy cream
- 2 tablespoons cracker dust
- 1 teaspoon salt
- 2 teaspoons Worcestershire sauce

Put all solid ingredients through the grinder. Add the egg, butter, cream, cracker dust and seasonings and beat until light. If too stiff, add more cream, cold gravy or chili sauce. If a sharper burger is desired, especially for highballs or cocktails, add dry mustard, curry powder or drained horseradish. Shape into small cakes, fry in butter or drippings, ten minutes.

Winning limerick written by Mrs. Mary Fell, Canyon City, in a contest staged by the Grant County Wool Growers auxiliary:

There was a lady quite glamorous  
Who wishes very much to be amorous  
So she ate lots of lamb  
Got a figure that am!  
And now the whole country is clamorous.

**PICKUP CRASHES HOUSE**

Mr. and Mrs. Frank Alfred were rudely awakened early Sunday morning when a pickup, driver unknown, crashed through their fence and landed on their front door step. The machine failed to negotiate the sharp corner in front of the Alfred places and neither could the driver avoid crashing the fence. The pickup is the property of Ralph Marlatt and had been "borrowed" by a party whose conduct is under investigation by the authorities.

Louis Marquardt, who was in town Wednesday afternoon, said he is all set to start his combine next Monday morning. The hot weather and north winds of the last week have done some damage to the grain but he is expecting a good yield.

**THERMOMETER UP**

Monday was the hottest day of the season, the thermometer registering 94, according to Len L. Gilliam, weather observer for Heppner. In a previous warm spell earlier in the month the official thermometer registered 93 degrees. Monday's hot spell was made less endurable by a north wind.
