

## IONE NEWS

**Burroughs' Pass  
57th Anniversary**

By MRS. ELMER GRIFFITH

Tuesday, July 2, marked the fifty-seventh wedding anniversary of Mr. and Mrs. French Burroughs of Ione. They were married in The Dalles, and except for one year, which was spent in Arlington, they have lived on their ranch on Rhea creek. They have one son, Glenn of Kirksville, Mo. Mr. and Mrs. Burroughs have enjoyed good health except for the last year when Mr. Burroughs has been quite ill. He is much improved, however.

Mr. and Mrs. Clifford Yarnell, nee Jessie Manson of Newberg arrived on Sunday for a visit with his parents, Mr. and Mrs. Harry Yarnell of Ione.

Mrs. Minie Farrens is employed at the Frank Young home for harvest.

Robert Perry of Morgan left on Monday night's train for Vancouver, Wash., where he will enroll in the Citizens Military Training corps.

Mr. and Mrs. Francis Troedson and child have moved into an apartment in the Park hotel for the summer.

John K. Honey and Mark Nickerson of Gresham arrived in Ione on Monday to look after harvest interests.

Mrs. Jack Farris and her daughter and son-in-law, Mr. and Mrs. Elwynne Peck, attended a reunion of her family on Sunday at Suttle lake. Bert Johnson drove them over in his car.

Walton Young of Altadena, Cal., is here visiting his brother, Frank Young of Ione.

Mr. and Mrs. John Botts are the proud parents of a baby daughter born Saturday, June 29. The young lady weighed six pounds and has been named Helen Louise.

Mr. and Mrs. A. A. McCabe left on Monday for a week's stay at Hiday springs.

Harvest is in full swing and the warehouses in Ione are opening to receive new wheat. Verner Troedson shipped the first carload of new wheat Saturday.

Mr. and Mrs. Frank Clark have returned to their home at Medford. Mr. Clark has been remodeling a house for his daughter, Mrs. Jack Farris.

Thelma Jean Goodrich of Lyle, Wash., is visiting her grandmother, Mrs. Dale Ray.

Dean Ekleberry returned to his home at Morgan on Sunday from Hood River where he had been employed for some time.

Mr. and Mrs. Glenn Burroughs and sons, Glenn and Lyle, of Kirksville, Mo., arrived on Saturday to spend the summer with his parents, Mr. and Mrs. French Burroughs. Mr. Burroughs is professor of history in the Kirksville State Teachers college.

The carnival and cafeteria supper sponsored by the Eastern Star on Saturday evening was well attended.

At a public school meeting in Ione on Monday the taxpayers voted to consolidate with the Rhea creek school district. The same day the Rhea creek district also voted to consolidate.

Mr. and Mrs. J. E. Crabtree of Salem are here visiting their daughter, Mrs. Louis Bergevin. They arrived on Sunday with Mr. and Mrs. Archie Munkers of Los Angeles, who are here for a short visit. Marvin Cox of Lexington and Paul Brown of Heppner accompanied them up from Los Angeles.

Mary Gene and Donald Bristow of Nampa, Idaho, are spending the summer at the home of Mr. and Mrs. David Rietmann.

## BOARDMAN NEWS

**Boardman Spuds  
Going to Market**

By MRS. CLAUD COATS

A party was held at the Coats home last Wednesday, June 26, in honor of the fourth birthday of Lynn Gillespie. Games were played in

**KINZUA READY FOR HEAVY OPERATION  
IN TIMBER BELT SOUTH OF HEPPNER**

By F. F. Wehmeyer

Kinzua Pine Mills company are completing their log storage pond, near their rail head at Wineland lake. This will cover several acres and hold millions of board feet of logs until such time as they are ready to transport them on to their milling operations at Kinzua. They have their highway from rail head to the Heppner-Spray highway cleared as to right-of-ways and will rough grade the last three miles at an early date. They are now busy on graveling the first nine miles which was graded up last year.

Charles Rector, grazing examiner has spent several days the last week looking over the ranges of the Heppner district and getting acquainted with the territory. In the last 16 years Mr. Rector has had the good fortune to work in nearly all the western states at different periods of time as well as having worked in Washington, D. C., for the forest service. To better qualify himself for such work he herded sheep one summer, so his knowledge is not all of the class room type, on grazing matters.

The last driveway band has crossed the local driveway bound for the high mountains. Range conditions were very promising this spring and stock were in very good condition on an average when entering the forest. However the past couple of weeks of scorching weather cooked the vegetation as it stood rather than letting it mature and water is shorter in the mountains than any previous year six weeks later in the season, or mid-August.

The Ukiah side camp of CCC under Hubert McDonald are building a division fence on the Five Mile C. & H. allotment. They figure on construction of twelve miles to subdivide the range into three units or pastures to allow of rotation. Edwin Hughes of Lena and Dan McLaughlin, local rider, are busy assisting

the afternoon, followed by refreshments of sandwiches, jello and cake.

Mr. and Mrs. E. W. Peck became the proud parents of a baby boy born in The Dalles hospital on June 26 at 5 o'clock a. m.

Buster Rands and Doyle Hubbell have purchased new trucks, in preparation for the oncoming watermelon season. Both men are expecting crops of melons in due time.

Dale Russell and Jack Olson left Monday for Pendleton where they entered the NYA aviation school. From there they go to Boeing air field in Seattle for actual mechanical work in the factory. Dale and Jack both graduated from Boardman high with the class of '40.

Miss Esther Jones left Tuesday for La Grande, Baker and other points. She will visit her sister, Miss Essie Jones, in La Grande, and plans on spending the Fourth in Baker. While gone she is going to visit the Macken family in Hereford.

Russell Miller opened his new potato sale Monday when he shipped two box car loads. He expects to ship about ten more loads by the end of the crop.

## IRRIGON NEWS

**Long Time Resident  
of Irrigon Passes**

By MRS. W. C. ISOM

Funeral services were held at Hermiston Monday at 2 o'clock for Mrs. Fred Rioks who passed away Friday morning after several days illness. Rev. Walpole of Boardman officiated. A host of friends besides her relatives attended. Mrs. Rioks was 79 years of age and until ten days ago led a very active life, driving her own car to Pendleton twice weekly. She had lived a mile from Irrigon the last 26 years and will be sadly missed by her many friends.

Mr. and Mrs. Floyd Goodman and family are visiting their uncle's family, Mr. and Mrs. O. Coryell.

Mrs. Ruth McCoy left for Imbler recently where she is employed in cherry picking.

Mr. and Mrs. Ed Houghton from New York are visiting his parents,

in the location of the right-of-way. Glen Jorgensen was called to Baker the last week to study advanced methods in fire suppression work. He was joined at Pendleton by Junior Foresters Robert Keller and David Judkins, Senior Lumberman R. U. Cambers and Senior Forester Ed Peltier.

Supervisor Carl Ewing, Assistant Supervisor Charles Overbay, Lumberman R. U. Cambers and Regional Office Inspector Fred Ames were looking over the sale area in the vicinity of the Notch and Wineland lake the past week.

With prospect of having an extra hazardous fire season all local folks, and outsiders too, are invited to give us a hand in holding down the situation. If each can give us his co-operation in observing the three rules of:

"No smoking while traveling;  
"Secure a camp fire permit before building any fires;  
"Carry a shovel, axe and water pail;

it will keep all the forest guards in splendid good humor and save the government hundreds and perhaps thousands of dollars. We really need all those dollars to buy guns and ammunition. Probably there will be need also of all the change we individually or the government can spare the coming winter to feed millions of destitute and helpless babies and children that otherwise are doomed to perish, so lets not waste any resource foolishly.

Could we also point out that the shooting of fire crackers is a mighty dangerous as well as costly way to celebrate the Fourth, especially when in the vicinity of small fingers, eyes, cotton dresses, farm buildings and forest material. As the Fourth wouldn't be much of a holiday for small boys without lots and lots of din, racket and noise, furnish them with cap guns which are comparatively safe.

Mr. and Mrs. A. C. Houghton. Mr. Houghton, Sr., has been quite ill and spent several days in the Pendleton hospital. He was able to be brought home Sunday.

Mr. and Mrs. Dan Hill are the parents of a 6 pound baby girl, born at the Hermiston hospital Monday, July 1.

Mr. and Mrs. Jack Browning and Mr. and Mrs. Will Grabiell motored to Pendleton Monday afternoon.

Mrs. Roscoe Williams and daughter Marjorie of Umatilla visited Mr. and Mrs. R. V. Jones Monday evening.

Mr. and Mrs. Earl Isom and family and Mr. and Mrs. Earl Leach and family are motoring to the mountains near Ukiah Thursday where they will spend several days with Cloyd Leach.

**Budget Not All Spent  
1939 County Welfare**

Portland, July 3.—(Special)—Morrow county's 1939 budget of \$10,970 for all public welfare purposes, had an unspent balance at end of last year of \$2,628.

The county's 1940 welfare budget of \$10,220 was 3.51 percent of all taxes levied in Morrow county for this year, and was 7.70 percent of the 1940 taxes levied for county purposes only. The 1940 per capita cost of public welfare in the county was \$2.07 based on 1937 population estimate.

Thirty-five Oregon counties had a total of unspent public welfare budget allowances of \$310,224 as of December 31, 1939. Only one county, Marion, spent more for all public welfare than provided in its 1939 budget.

These figures were recently compiled for all counties in the state by Oregon Business & Tax Research, Inc.

Total 1940 tax levy for all welfare purposes in all counties, including county farms and hospitals, indigent soldiers and sailors, also old age, blind, dependent children and general (relief) assistance, was \$3,209,823 against \$3,200,001 levied by all counties for the same purposes in 1939, the tax organization's report

indicates.

The principal reason why thirty-five of the thirty-six Oregon counties spent less for all public welfare in 1939 than was levied for those purposes, was inability of the state at end of 1939 was not a cash but to match county tax levies with profits from the state liquor system. This inability of the state caused a slowing-down of aid to new public welfare applicants. The Oregon Business & Tax Research, Inc. statement points out that the \$310,224 unspent welfare budget balance a bookkeeping balance. County millage tax levies might have been reduced by the unspent balance had the state's inability to match county taxes on property with liquor profits been foreseen when the 1939 county budget was prepared.
