WILLOWS GRANGE NEWS

By MARY LUNDELL

A large crowd attended the grange dance at Ione last Saturday evening. Good music, good floor, good evening plus a good crowd make a grand time. Please come again, folks.

On Friday, Oct. 18, the Home Economics club will meet in regular session at the hall. Grange will be held in the evening of the same date. Note the change from regular meeting time owing to Pioneers Picnic at Lexington on the 19th.

The annual conference of state officers will be held at the Willows hall on Tuesday, Oct. 22. The con-

ference will begin with a pot-luck dinner at noon with the conference business beginning at 1:30 continuing throughout the afternoon and evening.

Among officers in attendance will be the State Master Gill, State Lecturer Mrs. G. W. Thiessen, State Secretary Bertha J. Beek, Mrs. Inez Langhorn, state H. E. chairman, State Overseer Morton Tompkins and G. C. Pattison of the Grange Mutual Fire Insurance Co., and Fred Lewis, resident of the Y. G. A.

All grangers are invited to attend all of the meetings and we wish to especially urge as many officers to attend as possible.

Members of Willows grange have

been giving the hall a coat of paint during the last week. E. C. Heliker was painfully injured by falling from the roof of the building Saturday. He sustained a sprained ankle and minor bruises.

It will soon be time for the election of new officers for 1941. We hope that all grangers in Morrow county will hold their elections and get their names sent to the state secretary in time for the 1941 roster.
